Super tolles BuchVon Lina H.Ich habe "Liebesglick auf Anchor Island" gelesen und fand das Buch so toll, dass ich das zweite Band auch direkt lesen wollte. Up to the Challenge ist allerdings noch viel viel schner und vor allem emotionaler als das erste Buch und es war in wenigen Tagen direkt "ausgelesen". Wer eine schne romantische

Liebesgeschichte lesen will, der sollte sich dieses Buch unbedingt holen. I absolutely loved this book! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Tolle Serie! Von Bettina Ich habe das Buch und dann die folgenden Bücher in der Serie von Anfang an geliebt und somit auch verschlungen. Jede freie Minute wurde genutzt, um das Buch zu lesen. Eine tolle Liebesgeschichte über zwei Seelenverwandte, die sich aus Rücksicht auf andere nicht berwinden können zusammen zu sein. Doch es gibt ein Happy End! Sehr ruhende, spannende, schöne und sexy Erzählung. :)

Kurzbeschreibung Sometimes the next best thing is what you've been looking for all along Beth Chandler has spent her whole life pleasing others. She went to law school to make her grandparents happy. She agreed to marry her workaholic boyfriend, Lucas, to make him happy. And, despite her fear of boats, she took a ferry to see Lucas's parents just to make them happy. While suffering through a panic attack on the ferry, Beth meets a tall, sexy stranger who talks her down from her fear and makes her heart flutter in the process. Soon, she has a new reason to panic: her gorgeous, blue-eyed rescuer is Lucas's brother, Joe. But could she ever leave her fiancé for his own brother even if Lucas is more focused on making partner than on making their relationship work and even if Joe turns out to be everything she never knew she wanted? Filled with excitement and delight, *Meant to Be* is the story of a young woman torn between urban pressures and small-town pleasures.

ber den Autor und weitere Mitwirkende Born in the Ohio Valley, Terri relocated below the Mason Dixon line in the early 1990s after experiencing three blizzards in eighteen months. Seeking warmer climates and a career in the music business, she landed in Nashville and learned fast that getting a job on Music Row is not as easy as it sounds. Ironically, it wasn't until she left Nashville and moved to Arkansas that she found her way into radio. Never one to stay put for long, Terri eventually moved to the East Coast, settled near the ocean, earned her bachelor's degree while raising a daughter, and joined cubicle land once again. But a love of romance novels soon found her writing her own. Five years and many pages later, in 2012, she was named a finalist in the Romance Writers of America Golden Heart contest. An agent and contract soon followed. Terri now resides in Virginia with a teenager, a Yorkipoo, and two fat and happy tabbies.
