"Melancholy" is the second book in the Jokers' Wrath series and it is Bella Jewel at her best. This book had me gasping for airVon LittleDarling"Melancholy" is the second book in the Jokers' Wrath series and it is Bella Jewel at her best.This book had me gasping for air - like a fish out of water. It's packed with so much emotion, intensity and

drama, that I feared for my sanity. I couldn't put it down. Bella Jewel has an incredible talent to combine suspense, romance, drama, sensuality and steaminess. It is never too much, but dosed perfectly. This story is no different. It was intense and emotionally raw and the characters played a big part in it. We've met Maddox and Santana briefly in "Precarious" and it was obvious, that there is a lot going on between them and many emotions are brewing under the surface. Well, now those emotions came to light in "Melancholy". Santana, who has had a tough and heart-breaking past has been saved by Maddox and his Jokers' Wrath MC. She's a young woman who had her childhood and youth stolen by the circumstances that life has put her in. On one hand she's older than her years, on the other she tends to come across as a brat. Despite that sometimes irrational and irresponsible behavior, she's a very likeable character and once her background is explained, it is easy to understand, why she acts the way she does. Considering she never got the chance to grow up in a safe and secure surrounding, she now tries to find herself and figure out what and who she wants in life. That isn't an easy feat, as she shares a deep and special bond with Maddox who tends to be controlling and overbearing when it comes to her. No matter how much she tries to fight it, she can't hide the feelings she has for him - feelings she fears aren't reciprocated. But some things are too strong to fight and she ends up opening her heart to him. But when lies betrayal come to the surface and life-changing truths are revealed, will she fall apart or will her strength and her love prevail? Will she be able to forgive Maddox or will he lose her forever? Maddox is a force to behold. Hot sexy biker and as alpha as they come. He is possessive, bossy and controlling. At the same time - and this is what surprised me - he is extremely emotional and sensitive, although he doesn't always express it. He's got a soft side to him and it gives his character so much more depth and makes him so much more swoonworthy. It makes him seem more human, especially as he otherwise seems tough and indestructible. Though he has a hard time expressing his emotions or talking about them - when he did, it nearly broke my heart. The way he loves Santana and basically has devoted his whole life to helping her and easing her turmoil and pain as well as protecting her from any harm was beyond heart-warming and panty-melting. Despite the danger he exudes, he won my heart fairly instantly and I just wanted him to find happiness and let go of the guilt he carries. But once the truth he has been hiding from Santana comes to light, will he handle the fallout from it and the risk of losing her forever? Or are the feelings they have stronger than anything life can throw at them? It was painful to see how both of them think they are undeserving of each other's love and aren't good enough for one another. All I wanted was to see them happy and stop hurting each other because of stubbornness or fear. The twists and turns the story takes and the trials and tribulations that fate poses to Maddox and Santana, left me feeling like I've run a 10k - breathless. So did the deliciously steamy and hot sex scenes. This story made me sob and swoon, laugh and bite my finger nails. It made me fall in love with the Jokers' all over again. And holy whoa...the ending with a glimpse of Mack's story?!?!? Bella Jewel needs to write fast because I might be having a lot of sleepless nights until his book comes out. 5+ biker goodness stars. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Buch 2 der Jokers Wrath Serie - atemberaubend und schtig machend Von Evil-Hellhammer-Metal-Mama-of-Twins Bella Jewel gehrt zu den Autoren, wo ich alle Bcher gelesen habe und wahrscheinlich auch weiterhin alle lesen werde. Ich lese sie bewusst in der Original Sprache, weil ich so nher am Autor dran bin. In "Melancholy" wird die Geschichte des Jokers Wrath MC fortgesetzt. Der 1. Teil der Serie "Precacious" erzht die Geschichte von Ash und Beau (Krypt) und ist essentiell, um den 2. Teil "Melancholy" wirklich zu verstehen. Meine Empfehlung ist, beide Bcher hintereinander weg zu lesen, da es viele Charaktere gibt, und es sonst eventuell zu unnntigen Handlungsfragen kommt. Zum Buch: Ich mchte hier keine Inhalte vorweg nehmen und spoilern, daher gibt es nur eine grobe Beschreibung der Handlung. Die beiden Haupt Charaktere Santana und Maddox (Prsident des MC Clubs) haben eine komplizierte Vergangenheit miteinander. Maddox fand Santana als drogenabhngige Teenagerin, die hilflos auf der Strasse lag und nahm sie bei sich auf. Es folgte ein krasser Entzug sowie die Trauer um Santanas jngere Schwester, die laut Maddox tot ist. Santana ist wie eine jngere Schwester fr ihn - bis sie dann alt genug ist und er sie auf einmal mit anderen Augen sieht. Bella Jewel baut hier eine extrem knisternde Spannung zwischen den Beiden auf und man ist mitten in der Berg- und Talfahrt der Gefhle. Zudem stellt sich heraus, das Maddox ein sehr dunkles Geheimnis mit sich herum trgt, dass er besser schon viele Jahre zuvor preis gegeben htte. Es passiert unglaublich viel in dem Buch, es gibt eigentlich kaum Atempausen und man kann das Buch sehr schlecht weg legen. Ich habe es in 2 Tagen durchgelesen. Wer auf hochoerotische, badass Biker Storys steht, der sollte sich die Jokers Wrath Serie nicht entgehen lassen. Wer die "Sinners" kennt, der wird auch die neue Serie von Bella lieben.
