always Von Ein Kunde For me Judith Lennox is the best in telling everyday stories. Stories that are not especially thrilling or otherwise pageturnig. Also in this book the heroine Romy is an everyday girl who doesn't want to stay where she is - nowhere. With determination she comes to own a hotel that has been a home to her ever since she fled from her hometown to London. There isn't much more to say, it's the story of Romy Cole. But I loved reading her story. I would absolutely recommend this book. As I would also almost all other books by Judith Lennox

**Kurzbeschreibung** When a family is forced to leave its beloved home, the sense of injustice never dies... Middlemere is a compelling tale of one family and their quest for independence from acclaimed author Judith Lennox. Perfect for fans of Dinah Jefferies and Kate Morton. The Coles have lived in Middlemere for half a century. When, in 1942, they are threatened with eviction, they flee the house. But not before eight-year-old Romy, hiding in a cupboard, sees her father shot dead. Years later Romy, now almost nineteen, is quick, clever and single-minded. She schemes to restore the family fortunes, to rescue her mother from drudgery and to protect her brother, Jem, a charming scoundrel who is always in trouble. Most of all, she longs to escape the poverty and narrowness of her surroundings. A chance meeting with Mirabel Plummer, owner of the exclusive London hotel, The Trelawney, is about to change Romy's life for ever...  
**What readers are saying about Judith Lennox:** 'Ideal escapism'[Judith Lennox] is the ultimate storyteller... her stories are compelling and beautifully descriptive of both characters and feelings"Ms Lennox's writing is truly amazing, and creates characters that remain with me after the last page is turned'

**Synopsis** When a family is pushed from its home, the sense of injustice never dies... a spellbinding novel of love, loyalty and of the ties that bind In 1942, after half a century of farming Middlemere, their isolated tenant farm, the Cole family are to be evicted from their home. While Martha Cole and her young son Jem have fled the house, her husband, Sam, and their daughter, Romy are hiding inside barricading themselves against intruders. When Sam brandishes a shotgun, the police are called in, and nine year old Romy sees her father shot dead. Years later, Martha Cole has remarried and lives with her family in a small council house. Romy, now nineteen, is quick and clever, passionate and single-minded. She schemes to restore the family fortunes, to rescue her mother from drudgery and to care for her younger brother, Jem, a charming scoundrel who is always in trouble. She remembers Middlemere with longing, comparing its peace and beauty to her present surroundings. She has never forgotten - or forgiven - the violence and injustice of her family's eviction.
