Wonderful Christmas Read - MicahVon TMThis is a sequel to Unwrapping Hank; it can well be read as a standalone but you will enjoy Sloane and Hank so much more if youve read the first one.Micah is Mr Chill on campus but when he plays a game of spin the bottle and ends up kissing Drama Major Leo, he loses his cool. Completely confused he follow Sloanes advice and asks Leo out only to be rejected. So he settles for being friends and jumps at the chance to

offer Leo his parents barn for a performance when Leo is at loose ends. So the whole drama group relocates to the Springfields farm for a few days, just before Christmas including Leo, Yazmin, Micahs would-be girlfriend and Sloane and Hank. What to expect but drama? I loved this almost as much as the first book. The scenes with Hank and Sloane were hilarious and Micahs parents as lovely as always. Micah has always been open about sexuality so while he is a bit surprised he is totally open to being with Leo but Leo is wary of falling for someone who until recently considered himself straight. Micah has his work cut out for him. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Noch einmal das ganze, mit viel zu wenig Schwung Von K. G. Die Geschichte hätte toll werden können, die Grundidee ist schön, das Setting am Anfang ausgezeichnet, aber dann nimmt die Autorin die komplett unglaubliche Retourne und schreibt noch einmal alles wie bei Hank. Auf der Farm, mit den Eltern, die unkompliziert und fehlerlos sind und wieder mit all den anderen Dingen, die so bei Hank schon etwas zu glatt liefen. In zweitem Aufguss hat es mich nur noch genervt. Davon abgesehen hatten Micah und sein Loveinterest, dessen Namen ich glatt wieder vergessen hab, keine Beziehung miteinander. Es war mehr so ein aus der Ferne lechzen und in Gedanken erwagen. Der Point of View mit erster Person für die Hauptfiguren und dritter Person für alle anderen mit einer merkwürdigen Ausnahme gegen Ende hat außerdem nicht nur die Spannung ruiniert, sondern auch verwirrt. Es fehlten Witz, sexy Szenen und Atmosphäre. Schade.

Kurzbeschreibung Micah is the hippest, most chill guy on campus. But when he gets the hottest kiss of his life from a cute guy during a game of spin the bottle, Micahs cool turns into a puddle of anxious goo. Sure, Micahs always been a little bi-curious, but he never thought hed pursue a guy, much less a guy who doesnt seem to be interested in getting caught. Leo is passionate about two things: gay rights activism and acting. He stays focused and in control, and he never, ever, dates straight guys. When a chance spin of a bottle at a party has him locking lips with Micah Springfield, president of the Delts, dread-headed, serial-dating, straight Micah, Leo is determined to forget about it, no matter how incendiary the sparks or how gorgeous Micah may be. Leo has bigger problems. His senior project is directing Shakespeares Midsummer Nights Dream just before the Christmas break. When his venue cancels at the last minute, Micah offers the use of his parents barn in rural Pennsylvania. Leos play may be saved, but what about his heart? Between Micahs sweet lips, his familys welcoming arms, and a devious bulldog who is determined to play Puck, Leo may find himself falling under the spell of Christmas magic.
