**Von Maggie Shayne : Million Dollar Marriage (Mills Boon MB)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Million Dollar Marriage (Mills Boon MB):

This is a great start to my favorite series yet!Von Ein KundeThe Fortunes of Texas series is excellent and this is the first book in the 11 or 12 book drama. I had to get each one, and it began with this romance, about Dr. Lucinda Brightwater and Holden Fortune. Lucinda ends up marrying her old crush from high school. The background story of the family kidnapping develops nicely throughout the series and keeps you hanging on to find out what happens to baby Bryan Fortune and baby James. Maggie Shayne is just as good writing fantasy romances like Infinity and Eternity as she is

the cowboy romance. At the end of the series, I wished there was more Fortune stories!

KurzbeschreibungA dedicated doctor struggling to raise money for a much-needed community health clinic, Lucinda Brightwater is beginning to feel as though time is her enemy. Besides the clinic, she desperately wants a child, but how likely is that for a single thirty-four-year-old who works long hours with no man on the horizon? So when a man who's hard to resist makes her an offer that's hard to refuse, Lucinda agrees to marry Holden Fortune for one million dollars. The notorious bachelor needs a "respectable" wife in order to claim his inheritance. Lucinda needs her clinic. The terms? One year. In name only. No strings. No strings, maybe, but there's a lot of heat, making it hard for cooler heads to prevail, especially since it appears Lucinda's other dream is now on its way.
