Sie lernen sich kennen, pltzlich bekommen sie gesagt, dass sie Stiefgeschwister werden.Natrlich war es hier etwas anders

als sonst, da die ganze Entführungsgeschichte von Arizona dazu kam. Leider wurde hier allerdings nicht weiter in die Tiefe gegangen, sodass man das Thema schnell als Rahmenhandlung abtut. Nachdem die Missverständnisse aus dem Weg geräumt wurden, geht die Affäre los, dann passiert noch etwas (wie immer so bei 70%) und am Ende hat man ein Happy End. Ich habe dieses Wochenende mir selbst eine Stepbrother-Berdosis gegeben und ich muss sagen keins der Bücher stach besonders hervor, obwohl sie alle guter Durchschnitt waren. Lesenswert auf jeden Fall, aber am Ende nichts Besonderes.

Kurzbeschreibung I hate Mason Crest. That rich, sleazy, arrogant bastard thought I was some sort of cheap prostitute just because I work a minimum-wage job as a waitress instead of attending college or whatever else most nineteen-year-olds apparently do. Yep, you heard that right. He tried to buy me for the night, according to one of my best friends who works with me, and my friends have no reason to lie. But now everything's changed. I've just discovered that my biological father is a billionaire, and he's now married to my favorite actress whose son just so happens to be yep, you guessed it Mason. So now he's my stepbrother. We have to share a house, but thankfully that house is massive. It should be easy for me to stay out of his way. It should be easy for me to ignore his handsome face, his broad shoulders, his perfect abs all I have to do is remember that he's a grade-A prick. So why can't I stop thinking about him? \*\*Warning: This book contains lots of HOT sex, drama, adult language and some violence. If this is not the kind of stuff you like to read, skip this book. Enjoy! \*\*
