KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great bookVon SiggyIt is a fantastic book and for me it is still better than Mine to Take. Dark and a bit scary, romantic and sexy, perfect written, intresting characters and fascinating from the first to the last page. I hope the series will continue

after Mine to Hold. I loved the Night Watch-books too, but These here are different but as good as Night Watch.

Author's Note: MINE TO KEEP is a sexy romantic suspense novel. It contains graphic violence, lots of strong language, and hot adult situations. Please consider yourself warned.
