Von Cynthia Eden : Mine To Take (Mine- Romantic Suspense Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mine To Take (Mine- Romantic Suspense Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Obsession Von Renate H. Skye muss nach einem schweren Autounfall ihre Karriere als Solotnzerin beenden und flchtet nach Chicago. Doch der Schatten, den sie schon eine Weile spürt, folgt ihr. Als aus dem Schatten eine echte Bedrohung wird, wendet sie sich an Trace, den sie schon kannte, als sie noch ein Pflegekind war. Skye konnte ihre Liebe zu Trace

nie vergessen. Aber wird er sich an sie erinnern, und kann er ihr helfen? Diese Geschichte ist sehr spannend und flüssig geschrieben. Ich konnte mich sofort mit den Protagonisten "anfreunden", die Beide starke Heldenfiguren sind. Die Story ist glaubwürdig und nachvollziehbar. Die Entwicklung der Charaktere ist gut, es wird klar, was sie jeweils antreibt. Die Chemie stimmt, die Szenen sind erotisch. Ich habe bis zum Schluss mitgelitten und gehofft, dass alles gut geht, obwohl es ein Happy End geben musste. Wer der Schurke in dem dramatischen Teil ist, wurde mir erst gegen Ende klar, also wurde auch mein kriminalistischer Instinkt gefordert. Ich konnte das Buch kaum aus der Hand legen. Wer eine gute Liebesgeschichte mit einem ordentlichen Schuss Spannung lesen möchte, sollte diesem Werk eine Chance geben.

Kurzbeschreibung New York Times USA Today Best-seller! Skye Sullivan knows that someone is watching her. Not just watching--stalking her. Months ago, Skye was involved in a dangerous car accident. The accident ended her dancing career and sent her fleeing back to Chicago. Skye is convinced that her stalker caused the crash, and she fears that he won't stop pursuing her, not until she's dead. When someone breaks into her apartment in Chicago, Skye turns to the one man she believes can protect her--Trace Weston. Once, Trace was her lover. Two lost souls, they'd come together in a firestorm of need and desire. But then Trace had pushed her away. He'd joined the military, vanishing from her life. She'd put all of her emotion into dancing, and she'd tried to forget him. Now Trace is one of the most successful men in the United States. Rich, driven, and carrying dark secrets, he agrees to help Skye. He'll protect her from the danger that lurks in the darkness, but Trace wants more than to just be a guard for Skye. He wants her. And he'll take her. The years have changed him, hardened him. He's not just a poor kid from the streets any longer. Now, he can have anything--or anyone--that he wants. And the one woman he has always wanted has just come back into his life. He won't let her go again. But with the threats mounting against Skye, she suspects that her stalker may be intimately close. He's a man who knows her too well. As his attacks grow ever more dangerous, she realizes that if she trusts the wrong man, she could be making a fatal mistake. Lust. Love. Obsession. Just how far would you go in order to possess the one person you want the most? Author's Note: MINE TO TAKE is a sexy romantic suspense--it contains approximately 41,000 words. MINE TO TAKE is intended for adults. Sexy situations and adult language will be found within the pages of this story--please consider yourself warned.
