mehr so viel her, schtze ich. Es geht eigentlich kaum um Minnie (die Tochter), sondern nur um das Thema Überraschungsparty für Luke... das zieht und zieht und zieht sich... Mit Shopping hat es auch nicht viel zu tun, denn Becky versucht ja eher die ganze Zeit nicht zu shoppen. Der Witz fehlt mir dieses Mal. Wenn ich die alten Bücher lese (oder höre), dann lache ich immer noch sehr. Dieses ist für Fans vermutlich ein Muss, aber eigentlich ist es beflüssig. 26 von 28 Kunden fanden die folgende Rezension hilfreich. Her first word was "VISA" Von Jane... or so it seems. Two-year-old Minnie gets 50p pocket money a week. But how can she afford the second toy pony and a nice wagon on this little money? Thank God, her loving shopaholic mother Becky Brandon (ne Bloomwood) finds and teaches her the only possible solution: Saving? No, of course not! The magic word is "overdraft"! If you liked the first shopaholic-books you will just love this one. Becky stumbles again in a bunch of home-made hilarious problems and is bound to get really creative to solve them all. I really tried to read the book slowly, but I couldn't lay it down. Now I just have to cross my fingers for the series to be continued soon... 5 von 5 Kunden fanden die folgende Rezension hilfreich. Die anderen waren besser Von H. Mehl Ich hatte mich sehr auf das Buch gefreut, war gespannt auf die kleine Minnie. Auch wenn das Buch lustig ist, war ich etwas enttäuscht. Es geht vor allem um die Party, Minnie kommt gar nicht so viel vor. Ich finde, man hätte sie noch mehr einbinden können. Die Storyline der Party erinnert etwas an die Hochzeit im dritten Band. Für Fans von Becky aber trotzdem lesenswert!

Kurzbeschreibung Like mother, like daughter...! Shopaholic Becky Brandon (ne Bloomwood)'s two-year-old is ... spirited. She knows what she wants, whether it's a grown-up Prada handbag or a toy pony (40% off, so a bargain, surely?) When yet another shopping trip turns to mayhem, Becky decides it's time to give Minnie her own pocket money. Is it a bad sign when Minnie goes instantly overdrawn? Minnie isn't the only one in financial crisis. As the Bank of London collapses, people are having to Cut Back. Everyone needs cheering up, so what better way to do it than to throw a fabulous surprise party? A thrifty party, of course. Except economising and keeping a secret have never been Becky's strong points ... Everybody loves Sophie Kinsella: "I almost cried with laughter" Daily Mail "Hilarious . . . you'll laugh and gasp on every page" Jenny Colgan "Properly mood-altering . . . funny, fast and farcical. Faster than a swiping Visa, more powerful than a two-for-one coupon, able to buy complete wardrobes in a single sprint through the mall--it's Shopaholic!" -- "The Washington Post" "Exceptional comedic timing . . . laugh-out-loud funny . . . "Mini Shopaholic" is a light escape from real life." -- "The Roanoke Times" "A page-turner . . .
