first, need to know how it goes on, but... Von Kundin T.H.... honestly: Is this a man writing the lovescenes? At least it reads like (cheap) porn - sorry. I love the story. No question. So I am going to read on, but some pages are just not for me ;) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amusing Von Customer I enjoyed the book, the very original characters and even the ploy, even if the later was a bit to easy. Books 1 3 are a bit better achieved, but the ghost mother-in-law is one of the most charming ghost i have read about. Ideal for a grey day.

Her hometown is Carlyss, but you probably won't find it on a map. Her family owned a camp located on a bayou just off the Gulf of Mexico that you could only get there by boat. The most important feature was the rope hammock hanging in the shade on a huge deck that stretched out over the water where Jana spent many hours reading books. Jana and her brother spent thousands of hours combing the bayous in a flat-bottom aluminum boat, studying the natural habitat of many birds, nutria and alligators. She would like you to know that no animals were injured during these "studies," but they kept makers of peroxide in business. Jana has never stumbled across a mystery or a ghost like her heroines, but she's still hopeful. She now resides in Dallas, Texas, with the most spoiled Sheltie in the world.
