Stephanie Jordan#Paranormal #LionShifter #BearShifterHoly Geezzzz Louise I'm going to come right here just because of the way this Lion talks. Darn WOW, OK so this is my 1st book from Ms. Taiden and believe you me I'm reading her books from now on.Kira Ardan owns Rakida Construction, well kind of owns it, her father's will made it so her brother make all the decisions until she marries and then it's hers. In the mean time her jerk of a brother, Peter wants Raging Falls and makes her go to get it for him. Not checking things before she left for Raging Falls, of course nothing goes right. I mean the car dies and won't turn over, cell phone is dead and a blizzard is coming in, now what can top that. Oh yeah twist my ankle, screaming while falling down the hill side, than all went black.Luke Lyen heard a scream, someone was in trouble, didn't take long for this hunky stud to find her and take her home. Luke is having a hard time keeping his Lion calm, he's trying to claw his way out to get to her. Yep, his Lion not only want her as he repeatedly says MINE! Luke wants her too. You are just going have to read this to get the rest because I have to say Luke just talking nasty is just a whole new dream in itself. I was gifted this ARC for an honest and truthful review.1 von 2 Kunden fanden die folgende Rezension hilfreich. Mine - His: I don't think so says KiraVon Birgit WahlAnother shifter series by Ms Taiden. I so love her books and have her on my pre-order list since I read my first book written by her.Kira has difficulties males cause she is a big curvy girl. The men she was involved in the past always wanted her to loose weight but she is happy as she is and kicked the offending men to the curb.She inhiired Rakida Constructions but since her dad is so old school that he thinks a woman has to cater and sit by the feet of males he wrote in the will that she either has to be married or has to wait until she will be 40 before she gets a say in what going on at Rakida Constructions. So wont marry by order of her father but wait until she gets 40 and now she is only a few years away from this goal. Well her brother is a lunatic means he gambles and with the wrong people but he isn't using money from Rakida Constructions but from his own business, yep he has his own business but he also has the final say in all of Rakida. Kira has always to play firefighter to put out the fires her brother is starting with his charming personality, now she is again on the way to smooth the ruffled feathers of people who had an encounter with her brother as head of Rakida. She got told to find out who owns land in Raging Falls, well her brother want to know but she has as I said before to smooth some ruffled feathers too. On the way to Raging Falls she had an accident (if I remembered right 'in the snow'). Luke Lyen finds her and rescued her, this is how she is waking up naked in his bed the next morning.He thinks 'Mine', she thinks 'No Way' so he wants to change her opinion to His. After some misunderstandings Luke finds out she is with Rakida Construction aka she owns it. It needs some time until he understands, own a business and having the final say in what goes on with said business are two very different animals. Her brother ordered a Hit too so bullets are flying, brother is looking up and got mauled, FBI is showing up in the end too. Lots of conflicts and trouble but there is a HEA at the end and the good guys wins.5 stars, book is a keeper and re-read worthy

KurzbeschreibungWaking up in some strange mans bed was never big girl Kira Ardans goal for the day. Neither was waking up naked. Wait, naked? Someone had a lot of explaining to do and soon.Luke Lyen is at the height of his need. He wants a mate and he wants her now. Finding the woman meant to be his brings out the lust hes been fighting for days. If only she werent so stubborn, he might be able to get her to understand she is his. Then they could move on with dirty, freaky loving.The big lion is doing things with his tongue that makes Kiras brain cells melt. It will take more than a little danger to get this curvy woman to let go of her firm beliefs. Shes not interested in being anyones MINE, but maybe he can convince her to be HIS.Reader Note: This book is a work of fiction coming from the mind that brought you the Paranormal Dating Agency. There's hot, sweaty, naughty sex, adult language, lots of violence and blood, a BBW heroine with a sassy attitude and a growly lion desperate for a mate. If this is not the kind of stuff you like to read, skip this book. However, if you're a fan of all things naughty and humor, this is perfect for you.
