Spiel, Spa (h Sex) und SpannungVon MotteDa mir die Sempre-Bnde auerordentlich gut gefallen haben, war ich sehr neugierig auf diesen Zweiteiler der Autorin.Das Buch, dessen Schauplatz, wie sooft bei J.M. Darhower im Kreise der Mafia angesiedelt ist, lsst sich sehr gut hintereinander weg lesen und bietet im Grunde all das, was ich von einem

guten Buch erwarten würde. Die Protagonistin Karissa ist mit ihren 18 Jahren zwar noch etwas jung, trotzdem aber ein angenehmer Charakter - vielleicht manchmal etwas naiv, aber nicht nervig! Der (heie) bad boy der Geschichte, Naz, ist schon ein wenig reifer und hat in seiner Vergangenheit etwas erlebt, das so furchtbar war, dass wahrscheinlich viele daran zerbrochen wären. Naz sinnt seither nach Rache und trifft auf seinem Weg zufällig auf Karissa, die ihm aus verschiedenen Gründen nicht mehr aus dem Kopf geht. Die Liebesgeschichte, die sich zwischen den beiden entspinnt, ist spannend und abwechslungsreich. Zuerst war sie mir etwas zu flach, da es vordergründig zu sehr nur um Sex ging -, dies ändert sich aber spätestens nachdem das Geheimnis um Nazz Vergangenheit gelüftet wird und deutlich wird, dass die beiden vielleicht doch mehr verbindet als nur die gegenseitige körperliche Anziehung ;-). Das Buch hat keinen Cliffhanger und man kann es als in sich abgeschlossenes Buch auch ohne die Fortsetzung mit einem guten Gefühl weglegen. Ich persönlich würde allerdings dringend dazu raten, auch den Folgeband zu lesen, da es dort nochmal so richtig spannend wird. Einen Stern ziehe ich ab, da es mir insgesamt aber trotzdem noch ein bisschen zu sehr um Sex und Klischees geht. Sonst aber super! Klare Leseempfehlung!

Von LittleDarling Okay, this isn't easy for me, because I really love the author and I so wanted to love the book. I really tried to love it. But it wasn't until the 70% mark that it started to really grab my attention. Unfortunately, until then it was drawn out and very repetitive. Maybe I just couldn't relate to the heroine Karissa. I don't do well with weak heroines and this is what Karissa appeared like to me. She had no personality at all and that makes it impossible give a damn about her. She meets a guy who screams danger, and not the let's smoke some pot and make out in the parking lot kind of danger. She even recognizes that about him. Yet her brain cells seem to have gone on vacation. For the first 70% she either has sex with him, or thinks about having sex with him or misses him because she can't have sex with him. And when she takes a short break from that, she obsesses over how she isn't good enough for him. I'm sorry, but no, just no. I can't relate or respect a character who suddenly forgets everything around her, who only lives and breathes for the guy. It drove me insane and I couldn't see what Naz saw in her. Not that he was perfect by any means. Besides being a dangerous, bad man, he's also somewhat of a jerk towards her. I personally would have given him a swift kick to the groin and went my merry way. But that's besides the point. I couldn't get a feel for why they care about each other. There wasn't an explanation why Karissa is so fascinated by him, why she likes him so much, other than the sex and the attention she gets. Because I couldn't connect with either character, it was impossible to find the sex scenes hot. I didn't feel the passion. He liked it rough, she liked whatever he liked and that was about it.

2 I-really-tried stars. 1 von 1 Kunden fanden die folgende Rezension hilfreich. awesome must read! Von katooutstanding, one of the best and real mafia stories I ever read. Not one pseudo dark guy love story. Naz is really bad medicine the skeletons in the closet are literally and metaphorically, LOL. But you care about him and her, not at least... The whole setting feels real and the people acting believable and still so romantic and tragic. Good, given, the girl is more than naive at the beginning, but still it works in this story. It's a kind of beauty and beast story with a touch of romeo and juliet. I really want to know how the author will forward the story in part 2, which shall be published in fall 2014. And yea, its quite a lot of sex and violence in this book, so definitely no feel good romance and nothing for younger readers otherwise a hot and sweet and sad read, with bit to think about. Try it yourself!

Kurzbeschreibung Ignazio Vitale is not a good man. I suspect it, the first time I see him, sense the air of danger that surrounds the man. He has a way of commanding attention, of taking control, of knowing what I'm thinking before I even do. It's alarming and alluring. It's dark and deadly. It's everything I've ever wanted but the last thing I truly need. Obsession. It doesn't take him long to draw me into his web, charming me into his bed and trapping me in his life, a life I know nothing about until it's too late. He has secrets, secrets I can't fathom, secrets that make it so I can't walk away, no matter how much I beg him to let me go. I see it sometimes in his eyes, a darkness that's both terrifying and thrilling. He's a monster, wrapped up in a pretty package, and what I find when I unmask him changes everything. I want to hate him. Sometimes, I do. But it doesn't stop me from loving him, too.

AUTHOR'S NOTE: This book is intended for a mature audience only, due to some dark and erotic content.
