Steamy und zwei starke ProtagonistenVon Sandra SchwollIDies war mein erstes (und definitiv nicht letztes!) Buch von Kristen Ashley!Was man mitbringen sollte?Lust auf harte und definitiv "bossy" Kerle (in diesem Fall auf Motorrdern), wobei dieser hier definitiv die starke Frau vertrgt und ertrgt (bei aller mnnlichen Dominanz).Lust auf heie, heiere und heieste

Szenen - angereichert mit viel "dirty talk". Lust auf eine gute Portion Dramatik, groartige Diskussionen, Gefahr und ein paar Bichtfights. Und man sollte Slang-Englisch mgen / verstehen... Ich suche mir gerade schon das nchste aus... 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein Mann den jede Frau haben will ;) Von LilliWir haben ja Tack schon in Mystery Man kennengelernt und ich fr meinen Teil auch lieben gelernt. Von Anfang an war er mir einfach nur sympathisch. Ich meine liebevoll zu seinen Kids, guter Liebhaber und vor allem er kann kochen. Eigentlich ein ganz moderner Mann ;) Wenn ich mir einen Mann aus einem Katalog bestellen knnte, dann wre es Tack. Die Story ist auch gut geschrieben. Langeweile kommt nicht auf. Gratulation an die Autorin fr diesen Erfolg.

Kurzbeschreibung Stuck in a colorless world, Tyra Masters decides to chuck her old life and starts searching for something. She doesnt know what it is until she meets her dream man. The goateed, tattooed, muscled, gravelly voiced motorcycle man who plies her with tequila and gives her the best sex of her life. But she knows it isnt the tequila and sex talking. Hes it. Hes who shes been daydreaming about since she could remember. Until he makes it clear she isnt who hes looking for. Tyra slinks away from his bed, humiliated. The problem is, hes her new boss. She just may or may not have forgotten to tell him that part. Kane Tack Allen has a rule. He doesnt employ someone hes slept with. And he lets Tyra know that in his motorcycle man way. Tyra fights for her job and wins it using sass and a technicality. Tack challenges her that if she hits his bed one more time, she loses her job. Tyra is determined to keep her job and keep away from Tack. But she makes a big mistake. During their head-to-heads, she lets it all hang out and shows Tack she is who hes looking for. And Tack has had a good woman slip through his fingers, hes not about to let that happen again. Although Tack colors Tyras world with a vibrancy thats blinding, being with him means she has to live in his Motorcycle Club world. Full on, no holds barred. And since Tacks world, not to mention Tack, is a little scary, Tyra isnt so sure. It's Tack's job to convince her. Pressestimmen "There is something about them [Ashley's books] that I find crackalicious." (DearAuthor.com Kati Brown 2012) "I felt all of the rushes, the adrenaline surges, the anger spikes... my heart pumping in fury. My eyes tearing up when her my heart (I mean... her heart) would break."
