**Von R.K. Lilley : Mr. Beautiful (Up In The Air Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mr. Beautiful (Up In The Air Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 million "Please Mr. Cavendish" stars!!!!!!!!!!!!!! In love all over again!Von CassandraThis book is definitely worth every penny and second spend reading it!It is everything R.K. Lilley said and promised it would be and so much more!!! Like always!The book starts where we were left in Grounded, but this time, it's from James POV. It's those days after

the shooting, when he sits at Bianca's hospital bed that he reflects on the past. We get glimpses from his POV on how they met, their first time together and other selected scenes. It's such a treat to finally see these things from his perspective, what drove him. We also see Stephan and Javier and their story in this first part of the book with Stephan's POV and flashbacks. How they met and what Stephan had to go through at home and later with Bianca when they were throwaways. It's those flashbacks and their POVs that reveal more new details to a story we already know. And it makes you want to reread the Up In The Air series once again. In the second part of the book we see James and Bianca struggling to get back to a normal life. It just made me love Mr. Cavendish just more, seeing him so torn between needs and what he thought was the right thing. And yet, after all an even stronger Bianca. It's just beautiful and see how in sync they both still are to their needs. The third part is about their wedding day and their married life. Holy hotness, some very nice details in here! (Tristan and Danika is all I say!) Even after all they've been through and even being together for a while now, their jealousy still got the best of them. It doesn't matter which POV this is told from, you still feel for them, do understand their reactions. And it wouldn't be James and Bianca when these would be small normal things. \*hehe\* The last part and then the special Tristan POV were cracking me up! I was laughing so hard. It was the perfect closure to the Up In The Air and Danika and Tristan series. It fits them all and is so lovely to see them all again when time went on. Also those other special extra POVs were perfectly chosen scenes with interesting insides. Could there have been more? Was it too rushed? It was PERFECT! There's never enough Mr. Beautiful of course. Yes, it would have been nice to see more of the struggle in the day-by-day life after the shooting. But R.K. Lilley's writing and the story made it clear how hard things were. This book is definitely a MUST READ for Mr. Cavendish lovers, Tristan addicts and Stephan admirers. Well well done, R.K. Lilley!

KurzbeschreibungMR. BEAUTIFUL (UP IN THE AIR #4) JAMESShe was my sin and my temple. I both worshipped and defiled there. Gloried and desecrated. Revered and debased. I've been remade four times in my life. It is a distinct feeling. Impossible to mistake. The very marked sensation of being unraveled and reknit into a new thing, a new person. It can be good or bad, helpful or harmful, but above all, it is unstoppable. I was remade when my parents died, went from a happy childhood, into navigating a very dark world, with endless responsibilities, surrounded by enemies, and despairingly alone. It happened again at the hands of a cowardly predator. I'd become angrier with that one, more cynical, and it undoubtedly turned me into the kinky f\*\*k I was today. The third happened swiftly. One day I looked up into a pair of pale blue eyes and saw the other half of my soul. Checkmate. I went from a completely controlled existence, a life where I made every decision with cold calculation, to a man overcome with feelings and emotions that were foreign but somehow wonderful. And all too soon after that cataclysmic change was this fourth one, this one where I begged a God I'd never entertained to spare the life of a woman that I could not live without. Mr. Beautiful is a continuation of the Up in the Air series, told from the male point of view, with POVs from James, Stephan, Tristan, Frankie, and Akira. This book is intended for readers 18 and up.
