Grab a mug of hot chocolate and fall in love with Hud Bailey! Von Bianca @BJsBBBailey is finally healthy again, after fighting that stupid cancer for almost ten years. And she has a list. A list of things she wants to do in her 'new' life. One item on that list brings her to Cedar Ridge. She was hired to paint a

mural on a wall of the ski-town's hotel resort. A family portrait of the Kincaids. Enter Hudson Kincaid. He and his half-siblings own and run the resort - and if being on the ski-patrol wouldn't keep him busy enough, he's also a town cop a few shifts a month. He's had a couple serious relationships in his life, but they all fell apart, because he works too much, and wouldn't change it for those girls. But now he might have met the one girl he could imagine forever with. Of course he doesn't know it yet! It's instant attraction between the two of them. And it's adorable to watch how they both try to not take this relationship too seriously. It might take them a while to get to their HEA... WHAT WILL HAPPEN TO BAILEY HUDSON??? WILL THERE BE A HEA??? WILL THERE BE A CLIFFHANGER??? Nope . . . I'm not telling you \_\_\_\_\_.

Such a beautiful funny moving story! After I finished Jill's last Lucky Harbor book, I didn't know if anything new could compare to that amazing town. But Cedar Ridge and sexy its Kincaid family.... yesssss .... I love it! This was such a cute and adorable and sexy and funny and moving and snowy romance! I could read books like that every day! I loved every second of this book!....can I please have my own Hudson?!?! Set in the amazingly beautiful snowy background of Cedar Ridge.....MY KIND OF WONDERFUL is the perfect book for a cold winter night. Funny, sexy, moving - just adorable!! Grab a mug of hot chocolate and fall in love with Hud and Bailey! And now please hurry Madame Shalvis - I need more sexy Cedar Ridges - the next book will finally be out the missing Jacob!!!!

For me it started with Lucky Harbor and now Cedar Ridge. Bailey and Hudson both had a difficult past and they are struggling looking into the future. I really liked them together and how the feelings got more and more thorough. They were so sweet and passionate about each other, enjoying their times together. The Kincaid family is just gold. I really had to laugh about their jokes between each other, as well as them standing together and always being there for each other. There are hilarious moments and as well moment which makes your heart melt.

I especially liked that all the characters had their own stories, some of them we know from the previous book, some are coming. They are fun. The brothers have a very close relationship which Jill can describe very real. I laughed a lot during reading but it is no surprise with Jill's books. I can't wait for the next book to read!

Kurzbeschreibung Fans of Jill Mansell, Debbie Macomber, Nora Roberts and Marie Force will fall head over heels for the new Cedar Ridge series from New York Times bestselling author Jill Shalvis, featuring her trademark gift for humour, warmth and romance. If you'd been given a second chance at life, what's the first thing you would do? Now that artist Bailey is finally healthy for the first time in forever, she's living life to the full. First on her wishlist is skiing in the Rockies - at least it will be if she can get down the mountain in one piece... Luckily, a ski patrolling Prince Charming comes to Bailey's aid. Learning that her mysterious rescuer, Hudson Kincaid, is also the subject of the mural she's been commissioned to paint in Cedar Ridge, Bailey is intrigued. As she uncovers the real man behind Hudson's strong, silent facade, Bailey begins to realise that the life of adventure she has always dreamed of could be closer to home than she ever imagined. Want more warm, funny romance?
