If you like women who are a bit feisty and speak their minds, all of it combined with some humour than this is a must-read. I took to Harper straight away and all the other

characters (her Dad, Stepmom, ex-husband etc.) are plausible, too. All in all this is a really nice read which had me laughing out loud a few times. Harper and Nick and their conversations... it's kind of like a ping pong match and everything just kind of fits. It's not overly soppy but with a fair bit of romance, as it should be. 0 von 0 Kunden fanden die folgende Rezension hilfreich. My One and Only - ein Lesevergnügen Von Lesebr My One and Only Unterhaltsam, komisch, bewegend - die Geschichte von Harper und Nick lässt einen nicht los. Gut geschilderte Charaktere, auch sorgfältig erdachte Nebendarsteller, ein Lesevergnügen.

Kurzbeschreibung Just when she thought she had life and love all figured out. Divorce attorney Harper James can't catch a break. Bad enough that she runs into her ex-hubby Nick at her sister's destination wedding, but now, by a cruel twist of fate, she's being forced to make a cross-country road trip with him. And her new fiancé back at home is not likely to be sympathetic. Harper can't help that Nick has come blazing back into her life in all of his frustratingly appealing, gorgeous architect glory. But in Nick's eyes, Harper's always been the one. If they can only get it right this time, forever might be waiting just around the bend. "[S]weet, charming, and tender." Booklist on *The Next Best Thing*
