(which has been extended as the fourth book just came out), about the naughty Myckay cousins; 3 young men, who have learned at an early age how to pleasure women with erotic games, and how to increase this pleasure by a foursome. Kelly Benton is the stepsister of Rowdy Mackay.' Attempting to resist her seductive innocent nature he has engaged to the marines eight years ago. Now he has finally given up and decided that she has to become his. But she has changed, while he was gone she had been attacked by a stalker, she is now terrified of a man's touch. Rowdy has taken the decision to never let her go again, not even to lose her against fear itself. He fights to protect her and to satisfy a hunger more powerful than either can imagine. Lora Leigh's books are an erotic thunderstorm. Daring, exiting and fun, filled with want, need and love. If you like it hot you will love this author in general and this book in particular... Bates I have to admit that this is my first experience of Lora Leigh's writing, which sounds incredible I know given her output; however I found it most enjoyable with strong characters and a strong storyline. One of the first things that sprang to mind while reading it is that it would make excellent material for a movie or a mini series. I shall certainly seek out Lora's other work as this has been an education for me. I have always been a big erotica fan, but my usual reading has been the short story variety such as Suzie Van Aartman's 100 Percent Erotica, which is the most explicit and erotic book I have ever read. Excellent and highly recommended.

Kurzbeschreibung First in a trilogy that crosses the boundaries of erotic fiction—from the bestselling author of Megan's Mark. Too weak to resist young Kelly Benton's attempts at seduction, Rowdy Mackay left home eight years ago. Duty as a U.S. Marine put a safe distance between temptation and the nubile Kentucky vixen. Now he's back home and ready to engage in the kind of erotic games that have earned him and his two cousins a Nauti-boy reputation in three counties. Once it was Kelly's dream too—to feel the heat of the boy she desired. But an attack from a stalker still on the prowl has left Kelly terrified of a man's touch. Now as fear and desire converge, Rowdy fights to save her from the deadly threats of a stranger, to rid her of her demons, and to satisfy a hunger more powerful than either can imagine.
