Den Kriminalstrang in dem Buch fand ich toll (Janies Schwester und Quinns Herkunft), die Romanze eher eine Zumutung. Die Rollenverteilung war furchtbar stereotyp (er: sportlich, extrem gut aussehend, reich, dominant, geheimnisvoll - sie: von allen mglichen Selbstzweifeln zerfressen) und in dieser Konstellation ja auch aus zig anderen Bestsellern der letzten Jahre bekannt. Seitenlang diskutieren sie ihre Beziehung aus. Nee, berhaupt nicht mein Fall.

dei love this series. the characters are so cool. the stitch'n'bitch scene were they are assaulted by those big mugs and attacked them with their knitting needles and stuffed this one guys face with an handdyed yarn ball. hilarious. I loved it.

Ein netter Zeitvertreib. Nichts Besonderes. Vielleicht ein bisschen zu viel Selbstzweifel und Angst, aber ein Herd zum Schmunzeln. Es hat Spa gemacht, die Geschichte zu lesen.

Kurzbeschreibung  
From the USA Today Bestselling author of 'Truth or Beard', this is a full-length, 110k word novel is the first book in the Knitting in the City series. There are three things you need to know about Janie Morris: 1) She is incapable of engaging in a conversation without volunteering TMTI (Too Much Trivial Information), especially when she is unnerved, 2) No one unnerves her more than Quinn Sullivan, and 3) She doesn't know how to knit. After losing her boyfriend, apartment, and job in the same day, Janie Morris can't help wondering what new torment fate has in store. To her utter mortification, Quinn Sullivan- aka Sir McHotpants- witnesses it all then keeps turning up like a pair of shoes you lust after but can't afford. The last thing she expects is for Quinn- the focus of her slightly, albeit harmless, stalkerish tendencies- to make her an offer she can't refuse.  
JUNE 14, 2014: Sequel to Neanderthal SEEKS Human (Neanderthal MARRIES Human) is now available everywhere fine books are sold (and also likely at some pirating sites if you're an evil person and believe stealing is hunky dory).

Penny Reid is a part time author of romantic fiction and just completed her first full-length novel (at 110k words...!). When she is not immersed in penning romantic fiction she works full time in the biotech industry as a researcher. She's also a full time mom to two diminutive adults (boy-5 and girl-3), wife, daughter, knitter, crocheter, sewer, general crafter, and thought hijacker. CURRENTLY WORKING ON: Penny is currently working on Book #2 in the 'Knitting in the City' series (working title: 'Medical History of a Mixtape') and hopes to release it before the end of 2013.
