chance because it was really good. The main characters are really young age 18 and high school and my first thought was "Hmm how could this story be interesting?" But the author did a really great job. The story was easy to read and I liked the writing style. I'm definitely going to continue this series and I'm sure the next book will be about Chloe. 1 von 1 Kunden fanden die folgende Rezension hilfreich. loved it, loved it where is part 2, when you need it!!! Von katooa great start for a new author. The plot at first seems not to be my favorite one Teenies in high school and bullying kids - ahm... but I was totally proven wrong. This story is great, the endure of Elle and Chloe, her class friend, how they suffer and literally survive in an upperclass high school is scaring. I hope that level of meanness and cruelty is fiction, but sadly to say I am not really sure, whether it's so fictional at all. Nero, the hero is great - yes, he is an arrogant upperclass (no, not really) rich powerful young man, actually boy does somehow not fit. Even though he is just 18, he acts like an adult, an bossy dangerous adult, but still. The way Elle and Nero met is a cool twist, not so routine, first sight - first love stuff, which is sweet too, don't get me wrong. Because I don't want to spoil, just let me tell this, here are bad guys and I mean really bad guys, doing bad stuff. Mafia means Mafia, not an light nice romantic version. They are doing really bad, cruel things that's what a mobster does for a live - no way around. And still you can like them, even love them. I liked that part in particular. It was honest and therefore it felt real, touching, very sensual and scary - why you can like it / them But dear Sarah, I really need part 2- ASAP! There are so many open questions and I hope Lucca's and maybe (?) Chloe's story will be told, too. And why did Cassandra hates Elle so much - it was totally psycho, it needs an explanation, and and and To make it short, it is a 100% want to read more - must have book, but not for to young readers - great job !!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Big Surprise! Von Tea P Admittedly, I wasn't allured to this one at first, because the subject matter of this book just didn't do it for me. Little did I know... And I'm very glad I gave it a shot. The bullying Elle and her friend Chloe had to endure at high school was cruel and awful and hopefully very unusual. I was a little bit confused sometimes, because I just couldn't believe how mature, dominant and also confident Nero was, as he was just a senior at Legacy Prep as well. But he was so, so good, even if his ulterior motive for getting in touch with Elle was bad in the beginning. Really bad! And Nero's family's business was also a bad one and really violent. Nero was a fast read for me, being unable to put it down and missing quite a few hours of sleep, because I totally forgot about time while reading. It kept me on edge and I was surprised how this story developed and pulled me right in. I loved it!

Kurzbeschreibung Nero is the king of Legacy Prep, living a life of power. Elle is the schools punching bag, living a life of fear. The only good girls Nero knows jump in his bed when he tells them to. The closest Elle has come to a bad boy like him is in the cafeteria line. The mob boss gave him orders to find out what she knows. Her mouth is sealed. I just want to be a fu**ing made man. Im just a fu**ing waitress. *WARNING* This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older.
