Mal ganz was anderes - sehr spannend Von Sina Puck Soeben habe ich das Buch "Never Never" von Colleen Hoover und Tarryn Fisher beendet. Eine Rezension hierzu flt mir wirklich schwer. Den Inhalt mchte ich gar nicht vorweg nehmen, auch ich bin vllig unvorbereitet an die Geschichte gegangen und war absolut berrascht. Das Buch lsst sich nicht gut

beschreiben - ist es SciFi, eher Fantasy oder doch eine Liebesgeschichte? Ich weiss es bis jetzt nicht! Es ist eine absolute Mischung, es ist nicht einzuordnen, es liest sich spannend und wirft zum Ende VIELE Fragen auf. Das blde ist: es handelt sich um eine dreiteilige Reihe.Nach 150 Seiten bin ich jetzt frustriert, denn ich brauche den 2. und am besten auch gleich den 3. Teil um zu sehen, wie es mit Silas Charlie weitergeht.0 von 0 Kunden fanden die folgende Rezension hilfreich. This is not a Love story and its not really a Science Fiction...Von vpubiThis was my second book of Colleen Hoover. I didn't read any reviews before, only the official summary of the book. So i began and didn't have any clue, what kind of story this will be. And after five pages, i was obsessed and caged by the story. This is not a Love story and its not really a Science Fiction. Two people woke up on the same time on the same place, without any memories, but they didn't woke up at their bed - no, in the middle of a schoolday at the beginning of a lesson. At the beginning you can think on a alien abduction, but when you continue to read, you'll see its not so. It is soooooo thrilling to learn to know them. What happend with Charlie and Silas, why are their families so in hate. And you are waiting, will they be together in the end? ... then a cliffhanger and you have to read Book Two0 von 0 Kunden fanden die folgende Rezension hilfreich. SurpriseVon PieroschkaI didn't know what to expect from the story and was really surprised. I just finished the first book of the series and immediately ordered the next one. Can't wait to see how the story continues.

Tarryn and Colleen combine their forces for good. Alone they are talented. Together this epic duo is unstoppable. ~Pam, The Book Avenue.
