und verflucht Von Sabrina Als Talon für einen Akt der Rache seine Seele verkaufte und sich für ein Leben als Dark-Hunter entschied, entsagte er gleichzeitig aller Emotionen. Zu schmerzhaft waren die Erinnerungen an sein altes Leben und die Menschen, die er sterben sah. 1500 Jahre später tritt Sunshine in sein Leben, chaotisch und doch so liebenswert, rüttelt sie ihn auf und zeigt ihm, auf was er so lange verzichtet hat, als er sich aufs bloße Überleben konzentrierte. Doch Talon kann Sunshine nicht lieben, ohne sie in Gefahr zu bringen, denn der Fluch des keltischen Kriegsgottes, jeden Menschen zu zerstören, den Talon liebt, ist nach wie vor wirksam. Nach "Night Pleasures" ist "Night Embrace" der zweite Roman in voller Länge in Sherrilyn Kenyons Dark-Hunter-Serie, und vielleicht sogar noch besser als der erste. Situationen und Personal sind größtenteils aus dem ersten Band bekannt, und doch wirkt dieses Buch völlig anders. Wieder geht es um die große Liebe, die alle Schwierigkeiten überkommt, aber Talon und Sunshine sind keineswegs mit Kyrian und Amanda aus "Night Pleasures" zu verwechseln. Auch die Nebengeschichte, in der es um ein Tor zwischen den Dimensionen geht, das geöffnet werden soll, ist neu und überraschend. Alle Nebenstränge aus dem ersten Band werden konsequent weiter erzählt, und da die Serie so ausgelegt ist, dass jeder der Charaktere ein eigenes Buch bekommt, darf man gespannt sein, was man noch aus dem Leben der anderen Dark Hunter erfährt.

He was introduced already in "Night Pleasures". He is a "cool" loner... One day, while saving the little scatterbrained artist Sunshine and tracking down some Daimons he gets hit by a Mardi Gras - float and is seriously wounded and unconscious. Sunshine brings him to her appartement, because she thinks she owes him that for rescuing her. She is fascinated of him and his perfect body (of course... she is an artist ;-D). When he wakes up much later it is already daytime and he can't leave the appartement because of the sun. Even though she makes him dizzy with her always a little disoriented mind, he feels himself attracted to her and she to him ... but after a whole day "Ony-Day-Stand" they decide to be "reasonable" and to not see each other again... They both don't know, that they are part of a big plan of 2 gods and the twin brother of Ash - Styxx to destroy Ash and uncage the evil Atlantean Goddess "Apollymi" on the "Mardi Gras"-day. Talon's story is very well written I think, because you can understand why he is so afraid to feel for somebody again. He is cursed by the War-God Camulus, because he once killed his son in a battle. Since this day Camulus has sworn to destroy every person Talon feels something for. That's why he never gets involved with other people until he meets Sunshine... :-). She is evoking so many emotions and long time buried memories of him, that he can't control himself anymore when is afraid of losing her. That's exactly what the enemies are hoping ... Talon to be distracted to help Ash.... The nice thing about this book is, that you not only read Talon's and Sunshine's story, but also a little bit more about Ash's, Zarek's, Valerious and the two Were-Hunters Vane and Fang. Of course you see the rest of the "family" again... Nick, Kyrian, Amanda, Julian and Grace... It's fascinating me to read about the Gods. In the beginning (when I've started the series with Fantasy Lover) I got a little bit overwhelmed by all the names, but now you know some already ... :-). It also helps a lot to get on Sherrilyns page, one can find a lot of information about the "actors". I've already picked up the next one... Zarek's story :-)). I'm really admiring Sherrilyns fantasy!!

Her newest Dark Hunter book is even better than the 2 (or 1 if you want to get picky) preceding it. The story is not lacking in excitement or action, the love scenes are as luscious as we have to expect them of Kenyon. Not to mention the love story between Talon and Sunshine. Really heartwarming. However, even better is the additional information we get on Zarek - the next book in the Hunter series - and, naturally, Acheron. Oh dear, I just hope she gets to his book while I'm still alive. For lovers of romance novels with a fantastic touch this book is a must.

Kurzbeschreibung Dear Reader, Life is great for me. I have my chicory coffee, my warm beignets, and my best friend on the cell phone. Once the sun goes down, I am the baddest thing prowling the night: I command the elements, and I know no fear. For centuries, I've protected the innocent and watched over the mankind, making sure they are safe in a world where nothing is ever certain. All I want in return is a hot babe in a red dress, who wants nothing more from me than one night. Instead, I get a runaway Mardi Gras float that tries to turn me into roadkill and a beautiful woman who saves my life but can't remember where she put my pants. Flamboyant and extravagant, Sunshine Runningwolf should be the perfect woman for me. She wants nothing past tonight, no ties, no long-term commitments. But every time I look at her, I start yearning for dreams that I buried centuries ago. With her unconventional ways and ability to baffle me, Sunshine is the one person I find myself needing. But for me to love her would mean her death. I am cursed never to know peace or happiness-not so long as my enemy waits in the night to destroy us both.--Talon of the Morrigan Press

Estimmen "Say goodbye to the garlic-hating, crucifix-fearing vampires of old. With her steamy, action-packed Dark-Hunter novels, Kenyon is ushering in a whole different class of night dwellers. These new millennium models are gorgeous... An abundance of hot sex and snappy dialogue keep the plot both accessible and appealing. With its courageous, unconventional characters and wry humor, this fast-moving fantasy will fill the void left by the end of the "Buffy the Vampire Slayer" series.' Publishers Weekly"
