Von Sherrilyn Kenyon : Night Play (Dark-Hunter Novels) before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Play (Dark-Hunter Novels):

Kundenrezensionen Hilfreichste Kundenrezensionen 13 von 13 Kunden fanden die folgende Rezension hilfreich. Super Buch mit Suchfaktor Von -Kunde Ich habe das Buch in einem "Rutsch" durchgelesen. Als ich damit angefangen hatte,

konnte ich einfach nicht mehr aufhren. Fr mich gehrt dieser Teil der Dark-Hunter-Reihe zu den Besten. Die Geschichte zwischen Bride und Vane ist einfach zu schn. Er als Were-Hunter (Wolf) stellt zu nchst zu seinem Entsetzen fest das die "Fates" (Schicksalsgttinen) Bride einen normalen sterblichen Menschen zu seiner Frau/Gefhrtin ausgesucht haben. Ihm gefllt zwar (die etwas bummelige) Bride usserst gut, er zgert aber sie in seine Welt reinzuziehen um Sie zu schtzen. Bride dagegen kann es nicht fassen, das ein so groartiger gutaussehender Mann sich fr Sie interessieren kann.(o.k. alle Dark Hunter sehen lt. Kenyon berirdisch gut aus, aber mal ehrlich wer will in so einem Buch was ber Fips dem Buckligen mit dem hsslichen Gesicht lesen?) Vor allem da Ihr Ex Sie nur ausgenutzt hat und Sie wegen Ihrer Figur verlassen hat. Natrlich kommen auch Ash und Simi wieder vor. Ich bin ein absoluter Simi-fan! Ihr kindlicher "bissiger" Humor ist wirklich kstlich. Ich wrde mich gerne mal mit Ihr auf ein Barbecue treffen ;-). Das Buch hat wirklich alles...knackige Mnner...Romantik...Humor...und viel Spannung!!18 von 19 Kunden fanden die folgende Rezension hilfreich. Night Play - A Were-Hunter NovelVon Stephanie CrommThis is the Story of Bride McTierney and Vane Kattalakis.Bride McTierney has had it with men. They're never love her for who she is. But though she prides herself on being independent, deep down she still yearns for a knight in shining armor. She never expected her knight have a shiny coat of fur... Vane Kattalakis isn't what he seems. In Bride's case, hers a Were-Hunter wolf. Wanted dead by his enemies, Vane isn't looking for a mate. But the Fates have marked Bride as his. Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered. But how does a wolf convince a human to trust him with her life when his enemies are out to end his. Were-Hunters are shape-shifters. Vane is a Katagaria which means he hold a animal heart. If you like paranormal Romance - you will love this one!Reading List S. Love it!Von margie24Vane Kattalakis is not a normal "human" being - he is half human, half wolf. He doubts that he can ever find somebody who would love him just as he is. Bride McTierney is not a skinny-model-type person - but rather a more baroque type. She doubts that she can ever find somebody who would lover her just as she is. Well, those two meet and this is the start to another "Dark Hunter" novel which is exciting and hilarious. Although we don't receive a lot of new information about the dark hunters, we will know and understand much more about the Katagaria Were-Hunters and the Arcadian Sentinels after we have read the book. I really liked Vane and his "pack", as he calls it and Bride's character is very loveable. I can only recommend this book - for Dark Hunter Fans it is a "must" anyway. Great plot, great characters, great story!

KurzbeschreibungBride McTierney has had it with men. They're cheap, self-centered, and never love her for who she is. But though she prides herself on being independent, deep down she still yearns for a knight in shining armor. She just never expected her knight in shining armor to have a shiny coat of fur...Deadly and tortured, Vane Kattalakis isn't what he seems. Most women lament that their boyfriends are dogs. In Bride's case, hers is a wolf. A Were-Hunter wolf. Wanted dead by his enemies, Vane isn't looking for a mate. But the Fates have marked Bride as his. Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered-- something no self-respecting wolf can accept...But how does a wolf convince a human to trust him with her life when his enemies are out to end his? In the world of the Were-Hunters, it really is dog-eat-dog. And only one alpha male can win.From Publishers WeeklyCan a gorgeous werewolf with magical powers and an overweight boutique owner with a broken heart have a future together? They can in Kenyon's fantastical world, which imagines a contemporary New Orleans teeming with vampiric Daimons, immortal Dark-Hunters and various were-bears, leopards and wolves. Vane Kattalakis is a lone wolf in every sense. His brother, Fang, is in a coma; his werewolf father wants to kill him; and his mostly human mother, who was taken by force by Vane's father, would happily see them all dead. But after Vane shares a sizzling sexual encounter with Bride McTierney, he realizes his life is about to change. Bride is Vane's "predestined mate," which means that he has three weeks to convince her to be his partner or he'll spend the next several decades impotent and alone. Vane's gentle, protective manner and "ripped" body appeal to Bride, but she can't help wondering: if they were to get together, would they have puppies or babies? Kenyon's tale, while amusing at times, borders on the ridiculous. The rules of her world change constantly, and her male characters are all formed from the same tall, dark and dangerous mold. Bride, meanwhile, is a mere cipher, and though the sex scenes between her and Vane are titillating, their romance is nearly nonexistent. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.From BooklistBride McTierney has just been dumped via FedEx. There's not much that could ease such a broken heart until Vane Kattalakis wanders into her shop and her life. Their whirlwind affair feels too good to be true. After all, her ex-beau proved men are dogs, which turns out to be a more appropriate figure of speech than Bride could ever imagine. More character driven than her previous Dark-Hunter novels, Kenyon's latest is a nice change of pace yet still chock-full of the quirky humor, complex fantasy, and searing passion that her readers

love. This book's success, however, appropriately lies with *Bride and Vane*. It's been said of Kenyon that she knows men, but she really knows women and all our secret fears and hidden desires. She has distilled those into *Bride*, who is both our sister and ourselves. Then she made a man who understands and loves her, insecurities and all. Every woman should have a *Vane Kattalakis* in her life. Thanks to Kenyon, every woman can. Nina Davis
