Suspense, history, love..everything in it... . a "keeper"Von PaminaThis is my 5th story from Sherri and I'm already

addicted .. ;-).For me it is like entering in "A Big Story or Family". With every book you learn more about the "Dark-Hunter", Dream-Hunter, "Were-Hunter" and all the Gods, which are linked with all of them... I've got already so interested, that I've started to read more about the Gods and Hunters on Sherris Web-Site. For me it is a big puzzle and with every book I get more pieces. I feel like getting more and more into this "family" with every book...This one starts with Amanda, one of many daughters of a psychic couple. Selena is one of her older sister and we already got to know her from "Fantasy Lover", were she is the best friend from Grace.. Selena is worried about Amanda, because she tries very hard to live a very "boring" live.All of her family is somehow "strange" and are dealing with psychic abilities. Amanda ignores her abilities, because they only brought her pain... she just wants to live a normal, average life...But one day, she gets kidnapped by an "Daimon", because he thought she was her twin Tabitha, who is a "Vampire-Hunter". When she wakes up, she ist bound to a gorgeous man with some hand-cuffs. Amanda feels astoundingly attracted to this man... and that makes her very nervous... because no man could make her feel so ... "sensual".Kyrian is a Dark-Hunter since 2000 years already. He was betrayed by his own wife and turned over to his worst enemy Valerius. He was tortured for many weeks.... and in the end cruzified.... thats when he became a Dark-Hunter... The goddess Artemis took his soul in the trade of one moment of revenge....Since 2000 years Kyrian never got involved with another woman... till he mets Amanda. He feels connected to her... like his other half... but a hunter is not allowed to have personal bindings to humans...The Daimon who tries to kill him is not like the others... he has more powers and has already killed a few other Dark-Hunters. The ORACLE says he can only be destroyed by a Dark-Hunter with a soul... this sounds impossible, because in general the Dark-Hunters don't have a soul.... because Artemis has them....I loved this book, because you get more and more involved with the whole "Story of the Dark-Hunters". One learns about Acheron, the "Boss of the Dark-Hunters", Artemis, other Dark-Hunters... and it's also possible to see the "normal live" of Grace and Julian of Macedonien from "Fantasy Lover". Julien was once the best friend of Kyrian and it really brought some tears in my eyes, when they found each other again after so many years....Somehow it's like getting more and more "involved" in this whole "Dark-Hunter-World", the big family...;-). I'm already looking forward to "Night Embrace". the story of Talon, which was introduced in "Night Pleasures".I can recommend this book.... I will definitely keep this book...6 von 6 Kunden fanden die folgende Rezension hilfreich. Eine magische LiebesgeschichteVon SabrinaIn Amandas Familie hat praktisch jeder bersinnliche Fhigkeiten. Ihre Schwestern sind Seherinnen, Hexen und Vampirjgerinnen. Amanda selbst will nur normal sein. Sie hat einen langweiligen Job und einen langweiligen Freund und ist damit sehr zufrieden. Doch dann wird sie entfhrt und lernt Kyrian kennen, der alles andere als normal und langweilig ist. Aneinandergekettet mssen beide sich gegen Kyrians Feinde wehren, die es auch auf Amandas Familie abgesehen haben. Dabei lernt Amanda Kyrian besser kennen und ist fasziniert von dem griechischen General, der seit zweitausend Jahren als Dark Hunter ber die Menschheit wacht. Kyrian seinerseits kann weder Augen noch Hnde von Amanda lassen, obwohl er nach dem Verrat seiner Frau geschworen hatte, nie wieder zu lieben und ernsthafte Beziehungen zu Sterblichen darber hinaus fr einen Dark Hunter verboten sind.Nach "Fantasy Lover", dem Auftakt zu Sherrilyn Kenyons Dark Hunter-Universum und zwei Kurzgeschichten, ist "Night Pleasures" der erste lange Roman, in dem die Dark Hunter die Hauptrolle spielen. Als Armee der Gttin Artemis kmpfen sie gegen das Bse, im Tausch gegen ihre Seele unsterblich und mit besonderen Fhigkeiten ausgestattet. Hauptgegner der Dark Hunter sind Daimons, gefallene Kinder des Gottes Apollo, die die Seelen von Menschen stehlen, um ihre geringe Lebenserwartung auszudehnen. Alle diese Informationen lsst die Autorin mehr oder weniger beilufig einflieen. Es gibt kein langes Vorwort, keine Erklrunen, gemeinsam mit Amanda erfhrt man erst nach und nach, was es mit Kyrian und seinem "Job" auf sich hat. Sowieso scheint die Autorin sich in ihrem New Orleans, in dem das Normale eher ungewhnlich ist, sehr wohl zu fhlen, nichts wirkt geknstelt oder bertrieben, fast hat man das Gefhl, gemeinsam mit den Protagonisten durch die Straen der Stadt zu laufen, in der die Lebenden und die Toten zu Hause sind.44 von 48 Kunden fanden die folgende Rezension hilfreich. Dark Hunters - first book of the long awaited VampireslayersVon Ein KundeKyrian of Thrace chose in the face of utter betrayal and death his right for vengeance in exchange for his soul. Forever bound to Artemis he is a hunter of Daimons - soul stealers, a protector of humans , yet equipped with the V""V teeth and damned into the dark like them.Kyrian the former Macedonian Prince of Roman times fights not alone, he is one of the Dark Hunters chosen warriors by Artemis.Yet one night ends bad, he wakes up chained to a woman in a ruined factory with dawn very close. What a mean trick of the Daimons.Amanda Deveraux couldn't feel worse, always wanting to lead a normal life as possible with her crazed gang of family of fortune tellers and vampire slayers, now she wakes and finds herself handcuffed to a "buff stud in black leather" bearing Vampire teeth and badly in need of a dark shelter any second.Sparks fligh high between them, as the war between Dark Hunters and Daimons accelerates and long gone traumata's need to be dealt with to survive. The love scenes are sizzling hot and the banter between Amanda and Kyrian funny.I was sucked into this world of Dark Hunters, Were dragons Daimons, Greek Mythology and Dream Hunters. I am like a Daimon, only another book of Sherrilyn Kenyon can help me survive my need for more. ;-)

Kurzbeschreibung The Dark-Hunters are ancient warriors who have sworn to protect mankind and the fate of the world is in their hands. . . He is solitude. He is darkness. He is the ruler of the night. Yet Kyrian of Thrace has just woken up handcuffed to his worst nightmare: An accountant. Worse, she's being hunted by one of the most lethal vampires out there. And if Amanda Devereaux goes down, then he does too. But it's not just their lives that are hanging in the balance. Kyrian and Amanda are all that stands between humanity and oblivion. Let's hope they win. Pressestimmen "Move over, Anne Rice. Kenyon's Dark Hunter books are changing the face of the vampire novel, making it hip, darker, and all the more appealing.'
