you will be on fire in seconds! A sex toy mogul and a sexual relationships therapist...yep, that's explosive in the good and bad way! Both are dealing with love issues. Since the death of his fianc, Jack likes to play around with no strings attached. Michelle is secretly in love with a close friend. They met at a bar and agree on a one night of a mindless, no strings attached lust! When they meet again unexpectedly in Michelle's office, they knew this wasn't a one night only. Both are caught in the memory of that night they can't forget. They both want more. So Jack comes up with an idea...30 days of fun and then they are done! Easy! Just Jack and Michelle with two L! Keeping it a secret - or so they think. As they spend their nights together, Jack tries to protect his friends and his business from being closed by an over ambitious political candidate. But Jack entering the dirty game of politics, their secret is used against them. What are you willing to deal with when feelings get involved? You sure you're strong enough to face rough waters? What are you willing to give up? The story is fun, hot, exciting and caughts you from the start! I don't recommend to read this in public, more like with your dearest near you!

Sehr heie Tage und Nchte Von Bcherliebe Nachdem ich bereits die anderen Teile der Seductive Nights Serie gelesen und fr sehr gut befunden hatte, hatte ich schon sehnschtig diesen Teil (den man auch einzeln lesen kann) erwartet. Was in den ersten drei Bchern allerdings hei war, kommt in diesem Band fr mich ziemlich bertrieben rber. Bis 60 Prozent des Buches ist wirklich noch nicht viel passiert auer jede Menge dirty Talk, Lecken und Sex, vorzugsweise im Bro und im Stehen im Hotel. Lauren Blakeley hat hier meiner Meinung nach weit bers Ziel hinaus geschossen. Dieses Buch erzht den Handlungsstrang von Michelle, der Psychaterin. Nur kann ich sie berhaupt nicht mehr wiedererkennen. So hat sie sich in den anderen Bnden nicht benommen, man bekommt ein ganz falsches Bild von ihr. Fr mich war dieser Teil ein bichen ernchternd, aber der amerikanische Markt scheint darauf abzufahren...

Kurzbeschreibung A sensual and smoldering STANDALONE romance novel in the NYT and USA Today Bestselling Seductive Nights series... Jack Sullivan is a Sex Toy Mogul. An extremely eligible bachelor in New York, he's the full package, right down to his full package. Hell, this man could be the model for one of the toys his company, Joy Delivered, peddles. Instead, he's the powerful and successful CEO and he's got commitment issues a mile-long after the tragic way his relationship with his fiance ended. He's looking for a way to erase the pain and that arrives in the form of Michelle Milo. From her pencil skirts to her high heels, she's his perfect fantasy, especially since she has no idea who he is the night they meet at a hotel bar. He doesn't have a clue either that she's the brilliant psychologist his sister has arranged for him to see to help him get over his past. His touch helps her forget that other man. When he shows up at her office door the next day, there's no way in hell she's going to treat him after they've slept together. Jack isn't willing to let go of the first woman he's felt anything for in years so he proposes a deal - share her nights with him for thirty days. At the end of one month of exquisite pleasure, they walk away, having helped each other move on from their haunted pasts. But soon, all those nights threaten to turn into days as the lines between lust and matters of the heart start to blur. Can two people so terribly afraid of love truly fall head over heels? *NIGHTS WITH HIM is 100,000-word, standalone romance novel in the NYT Bestselling Seductive Nights Series following the love affair of a new couple. There is NO cliffhanger. You don't need to have read the other books in the series, but you'd probably enjoy them too.
