**Von Kallypso Masters : Nobody's Hero (Rescue Me Saga #2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nobody's Hero (Rescue Me Saga #2) (English Edition):

the main figures in her prequel *Masters at Arms*, then the story of Angelina and Marco in her second book, the author moves on to develop the story of Adam and Karla which was left in a cliffhanger in the previous two books. This is the story of Adam who saved the 16 year old Karla (25 years younger than him), he has lost his beloved wife and sub to cancer and will be confronted to the love of this young innocent girl... Now she has hunted him down... Adam, Damian and Marco, 3 ex militaries who are very strong and sexy Doms, but have their own traumas they have to fight against. But before they created the club they were either young and innocent or young and a bit less innocent or not young and not too innocent... And they met each other during war in Iraq. They came out of the war broken, more broken than they were before the war. The three of them have created the BDSM club *Masters at Arms*, were they all live their lifestyle as Dom. One night, Karla comes to the club looking for a job as singer. 9 years ago Adam has saved the 16 year old Karla while she tried to run from home. Since then they stayed in touch by mail. Adam has lost then his wife and slave to cancer, therefore he can understand Karla's pain about the brother she just lost shortly before coming to the club. He wants to protect especially from himself because in fact he simply wants her and is convince that he is too old for her (50 vs. 25) and that he is unable to ever love anyone. Karla has been in Love with Adam for 9 years and she wants to be the woman for him even if it means to become a slave to Master Adam. Mainly it is a story about sexual submission, fighting ones fears and fighting for ones dreams etc... Now my feeling about this book is mixed, mainly because at some point I stopped reading and it took me some time to come back to the book, at that point I have to admit that I finished it in one evening. The sexual encounter between the two is hot but still I missed the feeling part. Not that it is not present in the book I just couldn't feel it. You have to read the series in order!! - *Masters at Arms (Rescue Me)*- *Nobody's Angel (Rescue Me)* (Marco and Angelina)- *Nobody's Hero (Rescue Me)* (Adam and Karla)- *Nobody's Perfect (Rescue Me)* (Savanah and Damian) Not yet published:- *Nobody's dream (Cassie and Luke)*- *Nobody's home (Grant!! A female dome!!! and Liam)* By the way the author announced maybe one more book before *Nobody's dream*. Try it and see if you want to read more, I did want to. Das erste Buch war fr mich ein harter Kampf. Das zweite Buch fand ich schon wesentlich besser. Deshalb habe ich das 3. Buch gekauft. Leider wurde dieses eine Enttuschung. Zu wenig Emotionen, zu viel BDSM-Techniken, Sexszenen wiederholen sich. Ich lese gerne BDSM-Romane, aber ich werde kein weiteres Buch der Serie mehr lesen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Master Adam - ka-thunk :P Von Cassandra How far would you go to convince someone you were meant for each other? How much strength do you have to fight for it and not give up? "Unfortunately, we can't choose who we love- and we certainly have no control over who loves us back." Highly-honored, strong, hard Marine who wouldn't back down for anyone meets young, determined, not naive woman that have known from their first meeting this connection was meant to be. You can't not feel for them both. You feel Adam's pain and wish you can do something to help him. You want so badly to help Karla get Adam. Kallypso Masters creates everyday life characters that go straight for your heart and you are drowning in their story. You feel what they feel. You want to be part of the story. It always feels like you are part of the story, right there with them. And yes you get that ka-thunk" feeling every time Master Adam is in control. Kallypso Masters might put two people in the center of attention in her books, but all the other characters are getting their share in the story as well. Not only are they important for the story, but she also shows how they go on in their lives. These glimpses just make you curious to no more, what happens to them over the time. And it definitely makes you want to go on reading. I hope this series never ends, because I can't imagine my reading without them!

**Kurzbeschreibung** Have you ever fallen in love with the wrong person or the person who feels he or she is wrong for you? *NOBODY'S HERO* is the continuing romantic journey of Adam and Karla, which began in *MASTERS AT ARMS NOBODY'S ANGEL*. Retired Marine Master Sergeant Adam Montague has battled through four combat zones, but now finds himself retreating from Karla Paxton, who has declared war on his heart. With a significant age difference, he feels he should be her guardian and protector, not her lover. But Karla's knack for turning up in his bed at inopportune times is killing his resolve to do the right thing. Karla isn't the young girl he rescued nine years earlier something his body reminds him of every chance it gets. Their age difference is only part of the problem. Fifty-year-old Adam has been a collector of lost and vulnerable souls most of his life, but a secret he has run from for more than three decades has kept him emotionally unable to admit love for anyone. Will Karla be able to break through the defenses around his heart and help him put the ghosts from his past to rest? In her all-out war to get Adam to surrender his heart, will the strong-willed Goth singer offer herself as his submissive and, if so, at what cost to herself? **ABOUT THE RESCUE ME SAGA:** The books in the ongoing *Rescue Me Saga* are not stand-alone stories and should be read in order. Characters will recur in later books to deal with further issues in their lives as the saga continues and each book builds upon all previous ones. Sometimes main characters even need another book to help resolve major issues affecting their relationships. **BONUS MATERIAL** in this version: Kallypso Masters has added the **PLAYLIST** of music that inspired her as she wrote about the first three couples mentioned in this combined volume, as well as a
