Intriguing story Von K. De Rijcke Intriguing story with out of the average characters (for a regency romance); nice to have social topics combined with the historical romantic setting.

Kurzbeschreibung "Putney's endearing characters and warm-hearted stories never fail to inspire and delight." --Sabrina Jeffries "No one writes historical romance better." --Cathy Maxwell Marry in haste, repent at leisure. James, Lord Kirkland, owns a shipping fleet, half a London gaming house, and is a ruthlessly effective spymaster. He is seldom self-indulgent. . . except when it comes to the gentle, indomitable beauty who was once his wife. Laurel Herbert gave James her heart as an innocent young girl--until she saw him perform an act of shocking violence before her very eyes. That night she left her husband, and he let her go without a word of protest. Now, ten years later, a chance encounter turns passionate, with consequences that cannot be ignored. But as they try to rebuild what was broken, they must face common enemies and a very uncommon love. . . "Of all Putney's heroes, the Lost Lords are the most irresistible--bad boys who are so very good." --RT Book s
