**Von Carsen Taite : Nothing But the Truth (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nothing But the Truth (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A good thrillerVon AstridBackcover:The truth, like love, can be elusive, unless you're willing to fight for it.Sparks fly when two top notch attorneys battle each other in the high risk arena of the courtroom, but when a strange turn of events thrusts one of them from the role of advocate to witness, prosecutor Ryan Foster and defense attorney Brett Logan join

forces in their search for the truth. Working together they quickly learn their attraction to each other is as strong as their commitment to justice, but courthouse romance is not without complications. Throw in a murder case with bizarre twists and turns, and even the strongest attraction will be put to the test. \_\_\_\_\_ My opinion: This is a good thriller above everything else, mixed with a bit of good old romance. The protagonists fall a bit easily in love with each other. Still, they are interesting characters and the relationship develops rather slowly for a book from BSB. It's a good read for a few hours of entertainment. Carsen Taite knows what she's writing about. I hand out four stars for this book and look forward to more stories from this author. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Compelling thriller cum romance Von Philologus This is a very intricate plot which stays and stirs well after the end of the book because Carsen really tells something which might be thought at first glance unrealistic and at second glance makes frightening sense. It is IMO an excellent demonstration of what Lord Acton aptly described thus: "Power tends to corrupt, and absolute power corrupts absolutely." BTW if this is fiction and Carsen tells us in her bio that her day job is often stranger than fiction I start to wonder what she might have experienced in real life. Oh my! So all in all a very thought provoking novel, certainly no easy read, and not something easily advertised as romance. Rather a thriller cum romance. A must read.

Kurzbeschreibung The truth, like love, can be elusive, unless you're willing to fight for it. Sparks fly when two top notch attorneys battle each other in the high risk arena of the courtroom, but when a strange turn of events thrusts one of them from the role of advocate to witness, prosecutor Ryan Foster and defense attorney Brett Logan join forces in their search for the truth. Working together they quickly learn their attraction to each other is as strong as their commitment to justice, but courthouse romance is not without complications.
