Brilliant

Totally enjoyed this book. It was told in the now it also flicked back to then(so many yrs ago). This gave a better understanding to the story which was a lovely easy flowing story.It told the story of

a young girls crush, romance and the complex relationship of two sisters. This is the first book I've read by this author it won't be the last as I'm about to jump straight into the second book of this series. Received in return for an honest review. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Manchmal nervig, aber allgemein schne Geschichte. Von MartaGJa, die Charaktere waren zu ... bertrieben. Jeder auf eigene Art und Weise. Aber wenn man drüber hinwegsehen kann, ist die Geschichte s und das Buch schnell gelesen. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Modern Romance but nothig special. Von Magritte 10 years ago Emm had a crush on her 3 years older neighbor, but hs never evn noticed her. He however did notice her amazing sister Leyla. Now they meet again and he notices only her! She however is still convinced thag he belongs to her sister. But he wants only to belon to her. The writing was good, but the plot was just too superficial. Emmaline managed to get on my nerves... by thinking of it all characters did. Cole was too sweet, Leyla was too... bi***y. They prent weee annoying. Her boss was charicature... they all wer. It was an uncomplicated read, but sadly nothing which I eill remember for long. Enjoy the read and feel free to comment MBTM
