unorigineller Monstermischmasch Von Misato In diesem Buch kommen so viele verschiedene Fantasy-Fraktionen vor, die sehr seltsamen "Regeln" folgen, die auf unglaublich laienhaft interpretierte Historien zurckblicken und enorm unoriginell miteinander agieren. Die Story ist zu jederzeit KOMPLETT vorhersehbar und zieht sich ewig hin. Sie ist unspannend, unoriginell, langatmig. Ich habe nun schon zwei Bcher der Autorin gelesen (und das hier war mit Sicherheit das letzte!) und in beiden ist die "Heldin" von ihren Eltern im Stich gelassen worden und muss sich um sich selbst bzw. ggf. auch noch um ein Geschwisterkind bzw. den Vater kmmern - das ist hier auch so. Ich frage mich wirklich, ob die Autorin private hnliche Erfahrungen gemacht hat und das in ihren Bchern verarbeitet. Denn wieso sollte man zwei Bcher mit annhernd identischen Grundkernen verffentlichen? In diesem Buch steht tatschlich, dass sich die "Heldin" ab dem Alter von fnf Jahren um den Vater gekmmert hat und im Anschluss auch Geld nach Hause bringen mssen. Mit fnf Jahren?! Gebt kein Geld dafr aus! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Phoenix just rocks it all Von Jules' "The last thing she heard being murmured huskily into her ear was, "I would like nothing better than to set every inch of you on fire and watch as you burn in my arms." '- Octavian's Undoing by Airicka Phoenix I think I'm gonna start out with Riley and what I have to say about her because Octavian No, I wanted to focus on Riley first. I have to say that I love her as a heroine because she is strong and sweet, especially if you take her background into consideration She has a hard time at home with a father that seems more a failure than a father and mother that just left her without ever looking back. Her father is the worst kind of jerk I can imagine. Besides the twist about him later in the book, I hate how ignorant he is of his daughter. The mother? Well, I better not start on the mother now because it just makes me so mad! I really am Happy that Riley found a true friend in Daphne and I hope to read more about her and the way the friendship with Riley develops. The Maxwell-family is the kind of family everyone wants to have. I love the brothers Magnus, Reggie and Gideon Reggie the most though. They are all crazy and sweet and adorable, but somehow Reggie just jump right to my side, making me wish he could be like my best friend or so. Because, let's face it, Octavian gets the boyfriend-spot. He's so definitely a very worthy book-boyfriend. I love how Octavian is ready to sleep fully covered just so he could be by her side. But then again, everything about Octavian just totally made me fall for him. I mean, the way he talked about Riley, the way he treated her, the way he worried for her, the way he wanted to protect her from anything and anyone Seriously, if Airicka Phoenix ever tries telling you that any other of her guys is hotter than Octavian Don't believe her. IT'S NOT POSSIBLE. PERIOD." His eyes were dark and hungry with a desire that burned her to her toes." - Octavian's Undoing by Airicka Phoenix Forbidden love is a topic that has been well used so far and yet I personally think that Airicka put a great twist on the topic I loved every bit of this book and I can't wait for the second book of The Sons Of Judgement - series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. unusual take on the supernatural, but couldn't stand the author's view on the heroine Von Booklover Octavian is a caster, a supernatural being who controls who is allowed to leave hell for a short time and who hunts those who wrong humanity and the rules. Together with his parents and brothers they have a bar, Final Judgment, where their "customers" await their casting. One day Riley, a human, wants to return Octavian's wallet which he lost at the post office, but usually humans can't see the bar which is hidden to their eyes, so she surprises everyone. Unfortunately humans are not allowed to know about the supernatural world and so she has to be reported to the Summit. But in the meantime, she falls for Octavian as hard as he falls for her and he is ready to fight for her. I liked the story and most of the characters. Similar to some popular books the human and supernatural worlds collide and to overcome the problems that result in it, the main characters have to sacrifice and suffer. Some spoilers ahead: I absolutely hated the heroine, Riley (although it was not her fault). She was hurt all the time (20 times? 30?). Every time she stumbled, touched Octavian, was attacked by some beings, was changed into a supernatural being, bla, bla, bla. Yes, every other page! If it hadn't been so annoying I would have felt sorry for Riley to be made into a heroine this weak. Similarly the change of her to something other than human was so predictable and lame I couldn't believe it. And further, Octavian also changed, from a sexy, aloof hero to someone who was worried all the time, who didn't even see the simplest plots against them, etc. I rated the book 3 stars because I like the other characters :-). Especially Octavian's parents and his brothers. Some funny scenes, some sad ones. Would have given 5 if Riley and Octavian had been developed differently!
