KurzbeschreibungBook #2: New to the world of bondage, Sondra agrees to become a submissive. It just so happens, her Dom is her boss and business partner at the office. He's become her sexual erotic fantasy, testing her commitment to a lifestyle he constantly teases her with. Can she handle all she has agreed to? Learning about the Dom/sub lifestyle is just the tip of the iceberg. Nick teaches her more in each book in the series. Join Nick and Sondra as they crave each others company, learn what intrigues the other and how simple gestures can tie a couple together in more ways than one. Be sure to find the other books in this series if you enjoyed the first two: Book #3: Sharing Among Friends Book #4: Their Submissive Switch Book #5: Under Her Command
