KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Quick readingVon JohannaAdmittedly, once in a while I like to read S.M. Reine. Her style is not very sophisticated, but, since I am no natural English speaker, I enjoy it anyway. What will happen in the end of the book is fairly clear soon, and, as done frequently, S.M.Reine ends the book with a cliffhanger. She promised the next book to be out in April, not much more time to go..If you like the genre, it is no waste of time and money to buy this book.
