Von Tanya Anne Crosby : On Bended Knee (The Highland Brides Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised On Bended Knee (The Highland Brides Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. MAYBE IT'S JUST ME?Von a.charlesI've just finished reading Tanya Anne Cosby's,"ON BENDED KNEE".First of all,i have

to say that after my initial reservations, I did fall in love with the characters. Colin Mac Brodie did not pretend to be anything other than he was. Colin was a woman's man! Seana (gorgeous name) was such a sweetheart. I just wanted to hug her and tell her that everything would turn out o.k. in the end. At times during the book I did laugh out loud and at times I cried. So why the three stars instead of five? The storyline seemed to be more prominent than the characters! There was not enough tension between the characters. Their relationship was not consummated until the last few pages! There could have been a lot more jealousy and misunderstanding thrown in to the story. After reading "PERFECT IN MY SIGHT" and "HAPPILY EVER AFTER", I know for a fact that Tanya is talented. I just think that for all of its potential, "ON BENDED KNEE" did not deliver all that it could have! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Terrific Medieval love by an author who makes the era sing Von Ein Kunde Because of her lameness, Seana has always been considered a witch to be shunned by her peers. As an adult all she wants out of life is to marry Broc Ceannfionn, the one person when they were children, who wiped away her tears. Broc is uninterested in Seana, so she turns to his best friend, Scotia's worst rogue, Colin Mac Brodie, for help. As a child, Seana loved Colin, but his taunts broke her heart. Colin does not recognize the beautiful adult Seana, but finds himself in love with her. He cannot fathom why she wants Broc instead of him, but he intends to make her his intended. However, before he can place his own plan into motion, Colin and Seana have an unknown assailant from their past stalking them, one who seeks vengeance and if that includes killing the duo, so be it. Medieval Scotland seems to come to life in the capable hands of the ultra-talented Tanya Anne Crosby. Her latest novel, ON BENDED KNEE, is a fabulous romance, filled with warm protagonists, a vile villain, and a well-designed story line that will electrify sub-genre fans. The return of old favorites from THE MACKINNIN'S BRIDE and LYON'S GIFT help propel the plot forward while adding to the fun and excitement. As expected, Ms. Crosby scribes another terrific tale of medieval love. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. Meandering story, poorly-developed secondary plots Von Ein Kunde ON BENDED KNEE is almost completely lacking in story. It spends far too much time in the heads of the protagonists as they rehash the same thoughts over and over again: Colin thinking how brave, strong and stubborn Seana is; Seana thinking what a heart breaking rogue Colin is. Yeah, I got it the first time. And while Crosby makes lame attempts to convince the reader that these two people belong together, she drags in a subplot involving characters from THE MACKINNON'S BRIDE that completely lacks in tension and takes time away from Colin and Seana. Another beef: Crosby's horrible Scottish dialogue which lacks continuity and is so overdone as to be virtually unreadable at times. (For a good example of Scottish dialect, read Gabaldon.) Finally, for a romance novel there is surprisingly little sexual tension and the one and only consummated sex scene is interrupted by an out-of-place attempt at humor. If you want to read a decent romance set in medieval times, read anything by Patricia Ryan. Not a single aspect of Crosby's book makes it impossible to set at any other time in history.

Kurzbeschreibung A daughter of the forest and loyal to no clan, Seana has been whispered to be a child of the faeries, but not even a little Gael magic can help her claim what she truly desires a home and hearth before it's too late for her ailing da. Seana pins all her hopes on Broc Ceannfionn, but Broc has eyes for another. To win Broc's heart, she strikes a bargain with Colin Mac Brodie the biggest rogue in all of Scotia. Although Colin has already broken Seana's heart once this time around, he's powerless to resist the girl he once shunned and he finds himself where he never thought to be... on bended knee. **Kurzbeschreibung** A daughter of the forest and loyal to no clan, Seana has been whispered to be a child of the faeries, but not even a little Gael magic can help her claim what she truly desires a home and hearth before it's too late for her ailing da. Seana pins all her hopes on Broc Ceannfionn, but Broc has eyes for another. To win Broc's heart, she strikes a bargain with Colin Mac Brodie the biggest rogue in all of Scotia.
