KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. ...an extremely erotic and moving exciting romance ... perfect second book in this amazing Stark-Spin-Off-Series!!!Von Bianca @BJsBBThis review is from: On My Knees: A Stark Novel (Stark International Trilogy Book 2) (Kindle Edition)Alright, finally back with Jackson Sylvia At the end of the first book, Jackson had just been arrested, because

he beat up this horrible Reed person. The guy who wants to make the movie about that house its family in Santa Fe - but more importantly, the guy who sexually molested Sylvia when she was a teenager. And added to all that drama of course, is the whole 'Damien-is-my-half-brother'-thing that Jackson just told Sylvia. And we're pretty sure that Damien won't welcome any son of Jeremiah Stark with open arms... Will they tell Damien? Because this could probably cost Jackson his island-resort job. Then there's still Jackson's need to go 'underground-fighting' whenever something bad happens - and Sylvia's need to have control about all things - or will she be able to give up some of her hard-won control in some very private areas?? Lots of problems and secrets still to survive until Sylvia Jackson can have their happy ever after... What will happen to Sylvia Jackson? Will there be a HEA? Will everybody die at the end? Or will there be a horrible Cliffhanger? I'm not telling you that of course I don't want to spoil anything OK - yessss - this time we have a tiny little (aka huge) Cliffy \_\_\_\_\_ MY THOUGHTS JACKSON STEELE IS BACK !!!!! I looved the first book so much, and this sequel did not disappoint for one second!!! We pick up right where Say My Name ended... and we're not nearly at our HEA... Lots of very exciting things happen - frustrating things - suspensy things - funny things .... Damien Stark things ... moving things - sad things ...but especially - my favorite.... SEXY SCENES!!!!!! This series is just soooo effing erotic!!! Phew!!!! There are so many amazingly erotic scenes in this book - some people might think it's too much - but pffff - soooo not too much. I loved every single second of every single sexy part of this story....and of course the book is not all sex ...it's an amazing story.... about secrets and family and pasts and futures and love and hate and forgiveness... This new series in the Stark-world is another amazing piece of work by Julie Kenner...you sooo need to read it!!! On my knees was an extremely erotic and moving exciting romance. About secrets, about the past the future, about family friends, about having and giving-up control, about love hate forgiveness.....and even if the story wouldn't be interesting at all - you still don't want to miss reading it - you'll sooo fall in love with Jackson Steele too Now please hurry with book #3 - I NEEEEED to know how Jackson Sylvia's story will end!!!!

Jackson and I had secrets, dark pieces of our pasts that threatened to swallow us both. I was scared to trust him fully, to finally let go.
