Great storyVon SchnaufiaUnfortunately it is very often that erotic stories are just dull, one sex soaked action after the other,without any sense. But not with this book. It is a very intriguing story, and it is a very good read. I enjoyed the entire plot, it was very good written, with enough tension and enough fluttering in the belly about what would happen next to the poor heroine. As I said, it's not just blowjob, after gangbang, after blowjob, it's a very intelligent story, and nicely told, could be a Miles Boon! Please buy this one, it's worth the money, outstanding within the ranks of erotic books.1 von 1 Kunden fanden die folgende Rezension hilfreich. Most of them are a waste of time, so I didn't expect much from this book. I was surprised that I really liked it. So I will also read the second part of this series.

KurzbeschreibungDid you hear what happened to Lady Irene? Yes, Lord Fortson's wife. She went to a slave auction with him. That's right, she watched him buy a new slave. Beautiful creature, I heard. Everyone's saying that he paid an outrageous price for it. But a titled lady going to a slave auction was only the beginning of the scandal. When she saw her husband buy that gorgeous slave, Lady Irene went right around the bend. Completely stark, raving mad. And you know what she did? Scandalous! No one ever heard of such a thing. I knew her, you know, and I can't believe she'd do something like that. But everyone says she really did it. And now, I heard that someone wrote a book about it. It's tells all the filthy details for anyone to read. Lady Annabelle told me that it's downright pornographic. I've just got to get a hold of a copy and hear the whole story.KurzbeschreibungDid you hear what happened to Lady Irene? Yes, Lord Fortson's wife. She went to a slave auction with him.
