One night of sin....yes please :)Von MicNice, sexy, steamy read with a dark and dangerous guy and his perfect light and bright match.It's an easy read. Not a lot of backroud information, just enough that he has his issues andshe's his perfect savior. Together they are great and I liked a lot her persistance. Never give upwhen you love someone, even when it takes a while to get through.Gage is a actually a great guy, just with a lot of baggage to deal with and he's dealing with

it on the cost of himself...until he meets Skyler and for her he wants to be better, but can he really? Skyler is his light and she has a hard time showing him that he is a good person and that they are good together. Add to it a lot of heated sex and attraction....and well done...you have a story worth reading. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful written Von S P This book draws you in and doesn't let go. Beautiful written characters, that come alive on page with all their quirks, flaws and yes, passion. Can't wait to read more by Elle Kennedy.

Kurzbeschreibung A sexy category romance novella from Entangled's Brazen imprint Sometimes it's good to be bad When it comes to sex, good girl Skyler Thompson always plays it safe, choosing stable and sedate over wild and thrilling. She doesn't do one-night-stands, but one look at sinfully sexy Gage Holt and she's willing to reconsider. He makes her want to be bad for once in her life, and she's prepared to take what she wants. Danger follows former MMA fighter Gage Holt like a shadow. Despite his successes as part owner of Sin, an exclusive nightclub in Boston, Gage can't risk getting involved with a woman, especially one as sweet as Skyler. Still, he can't resist a taste and it's so damn good he has to see her again. As addicted as he is to her, Gage knows there's no future for him and Skyler not with his past lurking in the dark corners of an MMA cage. But Skyler's tougher than she looks, and she's ready to fight for her man.
