**Von Jodi Ellen Malpas : One Night: Unveiled (One Night series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised One Night: Unveiled (One Night series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Best book of the trilogyVon readerThe book starts slow with the couple exploring NY and very drawn-out sex scenes.Miller now admits he has OCD and Olivia works with him to master small issues like sitting in Central park or eating a hot dog.Upon their return from NY the pace really starts picking up. The secrets about Olivias mother and the

person Miller has to answer to are slowly revealed and you can guess the outcome. There are some twist and turns with (ex)clients, emotional roller coaster about marriage (Olivia wants husband, children, house; Miller categorically excludes marriage; Nan asks about living in sin).Livy becomes stronger and it is fun to read more of her sass, helping Miller to rid himself of his awful past. Miller changes too, before, I have to admit, I did not like him, but now I warm to him.The best scenes unfold around Nan. Her antics had me laughing out loud. She is witty, perceptive, understanding, and a real twenty-four-carat-gold treasure.The epilogue is brilliant. It is written in Millers POV and comparable to Jesses in Confessed, ironic, musing about his OCDs, funny and full of love for his family.I deduct one star because the book centres on Millers attempts to leave his job, there is no interaction on Olivias part with friends outside Millers world, and for the constant use of my sweet girl, my gorgeous girl, my baby girl (Gregory), give me my thing, let me worship you, you fascinate me. I wonder whether JEM chose those phrases to set the story apart from This Man. Until the middle of this book the writing of this trilogy is completely different from the first series and I felt like I was reading a different author. Then it becomes more familiar and the epilogue feels just like good old JEM style.This great ending placates me with this series.0 von 0 Kunden fanden die folgende Rezension hilfreich. fantastic read loved itVon Ronald GaarI couldn't put this book down it was a beautiful finish to the storyIt was action packed full of romance and steamJodi Ellen Malpas don't ever stop writing can't wait for the next book you write don't keep us waiting too long

KurzbeschreibungDid you fall in love with Christian Grey in the books and the Fifty Shades of Grey film? Addicted to Jesse Ward in This Man? Then there was Miller Hart. And now the unmissable final book in the ONE NIGHT series is here.They made their choice. And now Livy and Miller must fight for a life without secrets - and a passion without limits. . . Livy has never known pure desire like this. The gorgeous and mysterious Miller Hart captivates her, seduces her, and worships her in deliciously sinful ways. He knows her innermost thoughts, drawing her ever deeper into his dangerous world.Miller will do anything to keep Livy safe, even if it means risking his own life. But his dark history isn't the only thing that threatens their future together. As the truth of Livy's family legacy unravels, an unsettling parallel between past and present comes to light. With her world spinning out of control, Livy finds herself caught between the rapture of an all-consuming love - and a deadly obsession that could destroy them both. Breathtaking, intense and utterly gripping, this brand new novel is a must-read for all of Jodi's devoted fans as well as readers of Sylvia Day, J. Kenner and anyone who needs to escape with a love affair that will set your pulse racing...WerbetextThe million-copy-seller, Jodi Ellen Malpas is back with the unmissable pulse-pounding finale of the One Night series...KurzbeschreibungDid you fall in love with Christian Grey in the books and the Fifty Shades of Grey film?
