When her father receives a threat aimed at her, he surrounds her with security, and one of her bodyguards is sexy Michael Lyle, who offers Claire very close protection. Michael has worked for Claire's father for six years, and she has only known him as unemotional and professional. So she isn't prepared for the depths she discovers he's been hiding from her. He is her bodyguard, however, and there are certain lines he will never cross. The more irresistible she finds him, the more he tries to resist. Then everything changes in only one night...
