KurzbeschreibungRaney wants to enjoy being a bridesmaid at her friends wedding, but the best man, Justin Woodward, keeps putting a damper on her mood. Hes brilliant and kind of geeky not at all the kind of guy shes used to but shes always been nice to him, so she cant figure out why he acts so cool and obnoxious with her. It shouldnt matter what he feels about her, but she cant stop thinking about him. So her mission for the weekend is to get Justin to like her. Her attempts dont seem to work at all. But then everything changes in only one night...
