Von Jennifer L. Armentrout : Onyx (Lux - Book Two) (Lux Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Onyx (Lux - Book Two) (Lux Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Dieses Mal kein Twilight 2.0 Von Sandra aus Mannheim Ah, fand ich besser als den ersten Teil. Die kleinen Nicklichkeiten in der Mitte haben mich oft zum Lachen gebracht. Der Schurke mal offensichtlich und dennoch nicht berzeichnet. Fand ich ganz gut. Nach wie vor kein Klassiker, aber dieses auch auch nicht "Twilight 2.0" eine eigenstndige Story. 0 von 0

Kunden fanden die folgende Rezension hilfreich. Spoilerfreie Rezension Von Linda Kasper Ich konnte bereits das erste Buch kaum aus der Hand legen und genau so ging es mir auch beim zweiten Band. Die Charaktere bekommen mehr Tiefe, man fühlt und leidet teilweise mit und man lernt mehr über den Hintergrund des Ganzen. Ich bin sehr happy, dass ich die Reihe für mich entdeckt habe und bin gespannt auf die nächsten Bücher. 0 von 0 Kunden fanden die folgende Rezension hilfreich. schlechter als der erste Teil Von Lily Daemon und Katy Motzen sich entweder an oder rennen kopflos von einer Gefahr zur nächsten. Das ist teilweise so lahm und anstrengend, dass ich große Teile der zweiten Hälfte übersprungen habe.

Kurzbeschreibung From Jennifer L. Armentrout, author of the Covenant series, comes the unputdownable second book in the New York Times bestselling Lux series. Aliens are the new vampires, and sexy Daemon Black will set your pulse racing...**BEING CONNECTED TO DAEMON BLACK SUCKS...** Thanks to his alien mojo, Daemon's determined to prove what he feels for me is more than a product of our bizarre connection. So I've sworn him off, even though he's running more hot than cold these days. But we've got bigger problems. **SOMETHING WORSE THAN ARUM HAS COME TO TOWN** The Department of Defense is here. If they ever find out what Daemon can do and that we're linked, I'm a goner. So is he. And there's this new boy in school who's got a secret of his own. He knows what's happened to me and he can help, but to do so, I have to lie to Daemon and stay away from him. Like that's possible. Against all common sense, I'm falling for Daemon. Hard. **BUT THEN, EVERYTHING CHANGES** I've seen someone who shouldn't be alive. And I have to tell Daemon, even though I know he's never going to stop searching until he gets the truth. What happened to his brother? Who betrayed him? And what does the DOD want from them-from me? **NO ONE IS WHO THEY SEEM. AND NOT EVERYONE WILL SURVIVE THE LIES.** Werbetext The gripping second book in the New York Times bestselling series. Kurzbeschreibung From Jennifer L.
