Von A.J. Truman : Out in the Open (Browerton University Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Out in the Open (Browerton University Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. War ganz in OrdnungVon MinelliDas war schon ganz in Ordnung, nichts was aus der Art schlg. Das Prchen fand ich recht

s. Fr zwischendurch mehr als okay.1 von 1 Kunden fanden die folgende Rezension hilfreich. Enjoyable young adult/new adult book with fun momentsVon amygdalaTotal YA/NA angst fest with all the clichs this trope deserves and everything.Still, for what it is, it was a fun read. And since it's been a long time since I read the "open gay guy has a secret affair with closeted frat guy--drama ensues"-trope I really enjoyed this one.Loved Ethan and Greg and the growth both of them got through within the book. I liked how Ethan found himself, discovered new layers about him and decided that he didn't have to be either the one or the other version of himself, but that he could embrace it all.Also, the fact that these boys developed a serious kink for outdoor and fairly public, ahem, "activities" did add a nice, let's call it layer, to the story.^Ergo, my verdict (also considering that the book is currently free on , yay): a rounded up to 4 stars.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great!Von StillReadingEthan doesn't know fun. Or how to have it on his own. The decision to hide behind his college friends may not be conscious, but that and duty are his main concerns. Never having had friends before, he does not know how to behave around them in the first place. Not even speaking of, you know, relationships.The point in going to college is being able to become a lawyer after, at least for Ethan. So what does it matter if his love life comes last? And he is determined to let his crush on Preston lead into a relationship after all.Little does he know it has to come different..Greg is the most disturbing thing in Ethans quiet life, hindering him listening intently to his most famous prof. He also happens to look amazing and that bears so many problems..This book is the picture of a tumultous relationship and quite very enyojable. I recommend reading on your own, thought :)

KurzbeschreibungLibraries are meant for studying not sexCollege sophomore Ethan Follett never says whats on his mind and never wants to rock the boat. After a high school social life spent anonymous and alone, things are finally falling into place for him. Hes found a group of friends just as studious as he, and is on track for a promising legal career. Out in the open, things couldnt be better, but secretly Ethan yearns for some real excitement in his life. He finds it in cocky fratboy Greg Sanderson, who challenges every rigid, preconceived notion Ethan lives by. Soon, their sparring relationship turns sexual, and these enemies-with-benefits get their freak on all over campus. Yet the more Ethan comes out of his shell, the more Greg retreats into his, working overtime to keep his ladies man public persona intact. As the sex gets hotter, and they get closer to getting caught, one part of their arrangement cant stay hidden any longer: love. OUT IN THE OPEN is a M/M new adult romance filled with humor, heart, and hot guys. The book is intended for audiences 18+ as it contains explicit sex and language. Truman remembers his college days like it was yesterday, even though it was definitely not yesterday. He writes books with humor, heart, and hot guys. What else does a story need? He loves spending time with his pets and his partner and writing on his sun porch. You can find him on Facebook or email him at [ajtruman.writer \[at\] gmail \[dot\] com](mailto:ajtruman.writer[at]gmail[dot]com).
