Recommened! Von Ein Kunde I have read several Black Lace books, but I never read one that I finished and couldn't put down, like this one. I highly reccommend this book if you like "light" eroticism as well as deep romance. It had a great story line and character development with two gorgeous "hunks" in love with the same beautiful woman. The threesome worked. These two men loved her, although both were different as "night and day." This book isn't just about sex, but the deep binding, growth of a loving relationship built on emotions not sex. I also reccommend "The Captivation" by Natasha Rostova and "A Private View" by Crystalle Valentino. 0 von 0 Kunden fanden die folgende Rezension hilfreich. well-written erotica Von Ein Kunde One problem I've had with several of the Black Lace books, and erotica in general, is that they tend to use language that's just too weird to be erotic. This book, however, not only avoids that problem, and includes some of the most erotic scenes I've read anywhere, but also is enjoyable in what I saw one reviewer refer to as the "in-between" scenes. I'd write to the author, as she requests, but I don't see an e-mail address listed. Meanwhile, I'm looking forward to seeing more of her books in print. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it! Von Andi21 Out of Bounds had me captivated right from the beginning. The romance builds up beautifully and the sex scenes are extremely well written. The characters are very 'visible' and the twists in the plot are well timed. For myself, erotic fiction needs to include a good helping of romance, which makes this book one of the best Black Lace titles I have read.

Kurzbeschreibung When Katie - a young photographer - decides to start a new life in a French farmhouse left to her by her grandfather, she is horrified to find two men living illegally on her property. However, her horror quickly becomes curiosity as she realises how attracted she is to them, and how much illicit pleasure can be had by allowing them to stay. When her ex-boyfriend shows up, things get even more complicated and the sexual tension reaches breaking point.
