KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. OVERRULED was a really adorable and funny and verry hot Romance!!!Von Bianca @BJsBBThe story starts 12 years ago - in Sunshine, Mississippi.Stanton and his girlfriend Jenny just found out that they're having a baby - and

they're still in High School. Stanton is supposed to leave for Columbia University in NY soon. And even though he wants to do the right thing and stay with Jenny - she begs him to go and try to build a good future for them. And he does leave - a few weeks after baby Presley is born. He leaves his whole world back in Mississippi - but he knows that he has to get a good education to be able to provide for his girls. Even though he misses them like crazy! After a while they decide to have a more open relationship - to try out other people - see if what they have is really all that they think it is..... Then it's 10 years later - Stanton is a jury-charming defense attorney in Washington D.C..... and Jenny is about to get married - and not to him!!! That can't be happening, he thinks, and invites his 'friends-with-benefits'-colleague Sofia to be his date to said wedding - which he will try to stop from happening! Sofia - she loves her life as a lawyer and she's pretty sure that this 'friends-with-benefits' thing she has with Stanton is about to turn into more... does she want that? Will he want it?? And what about his family in Mississippi - she knows that he's still in love with Jenny... Lots of interesting stuff will happen in Stanton's home-town... lots of funny things... lots of sexy things... Lots of attempts to stop the wedding... But.... is he really still in love with Jenn? WHAT WILL HAPPEN TO SOFiA STANTON??? WILL THE TWO OF THEM HAVE A CHANCE FOR A HEA??? OR WILL STANTON GET JENNY BACK??? WILL THERE BE A HORRIBLE CLIFFHANGER? I'm not telling you that of course Ok - no Cliffhanger! \_\_\_\_\_ I really enjoyed this book. And yayyy - surprise - our darling Drew Evans - from Emma's Tangled Series has a few cameos here too... (back in college and in the present too) adorable!!! Stanton is such a great guy - in the beginning when he just wants to do what's right for Jenny and the baby and then later, when he's this hot-shot attorney.... He's so cute and sexy and funny. Only he's an idiot too, because he thinks he can have both Jenn back home and Sofia in D.C. - he doesn't see that Sofia is falling for him - and he especially doesn't notice that he's falling for her too #Men And Sofia - she's really cool too - happy to be in this 'affair' thingy she has with him - but still - she wants more... but she knows that she probably never will have all of him... most of his heart is back in Mississippi. The book was really funny and very sexy - I even shed some tears There was lots of lawyer-talk and a bunch of hilarious co-stars: Sofia and Stanton's colleagues Brent and Jake - adorable!!! Did I love the book? And does it deserve my 5 Stars? Yes, your Honor, I did and it does! OVERRULED was a really adorable and funny and verry hot Romance!!! GO GET IT NOW!!!!

Men want to be him, and women want to be thoroughly cross examined by him. Stanton's a man with a plan. And for a while, life was going according to that plan. Until the day he receives an invitation to the wedding of his high school sweetheart, the mother of his beloved ten-year-old daughter. Jenny is getting married to someone who isn't him. That's definitely not part of the plan. \*\*\* Sofia Santos is a city-raised, no-nonsense litigator who plans to become the most revered criminal defense attorney in the country.
