**Von Kristen Ashley : Own the Wind (The Chaos Series Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Own the Wind (The Chaos Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Nicht schlecht, aber....Von Nicileider auch kein Vergleich zu vorhergegangenen Bchern. Ich bin eigentlich ein sehr groer Fan und lese die meisten Bcher dieser Schriftstellerin tatschlich mehrmals. Leider glaube ich, dass dies mit diesem

Buch nicht passieren wird. Es war mir zu platt, zu oberflächlich. Nicht das, was man sonst so von Kristen Ashley kennt. Ich konnte mich auch kaum in die "Heldin" hineinversetzen. Eine Frau in dem Alter und mit der Lebenserfahrung, die sich offensichtlich eine eigene Karriere gebastelt hat und in ihrem Beruf erfolgreich ist, lässt sich dermaßen von Freunden und Familie berfahren, in Bezug auf Dates und Wochenendausflüge, die sie eigentlich doch gar nicht möchte? Ich muss auch sagen, dass mir eben diese Freunde (Tyra/Tack) teilweise doch etwas auf die Nerven gegangen sind. Und, bevor der Protest ertönt, ich bin ein großer Fan von "Motorcycle Man"! Aber irgendwie kommt für mich dieses Buch in keinster Weise an die Vorgänger heran. Aber, ich gebe nicht auf und werde vermutlich trotzdem die nachfolgenden Bücher der Reihe lesen, die Hoffnung stirbt ja bekanntlich zu letzt. 1 von 1 Kunden fanden die folgende Rezension hilfreich. I just loved it Von lizzyAs good and intense as all books from KA. I loved shy, he and tabby are working for their relationship and both are growing in the book. wonderful characters and wonderful love story in the world of chaos biker club.

Kurzbeschreibung Tabitha Allen has a not-so-secret crush on Parker "Shy" Cage. Shy thinks he knows the path Tabby's on and it isn't a good one. So he decides to teach her a lesson to lead her to the right path. Unfortunately, he was wrong and his actions wound Tabby, breaking her heart. It's Tabby who then teaches Shy a lesson about casting judgment and Shy Cage learns what it feels like to be invisible. But when tragedy strikes and Tabby's heart is broken again, Shy does what he can in the background to help. Trying to forget her heartbreak, Tabby finds herself in danger. To keep it secret from her biker family, the Chaos Motorcycle Club, she calls Shy to rescue her. But when she lets him back in, she gets much more than she bargained for. Pressestimmen "Ashley delivers a deeply emotional second installment of the Chaos contemporary romance series (after Own the Wind)... Punctuated by blistering-hot sex scenes and fascinating glimpses into the tough world of motorcycle clubs, this romance also delivers true heart and emotion, and a story that will stay with the reader long after the final page is turned." Publishers Weekly, Starred, on Fire Inside "[Kristen] Ashley captivates." Publisher's Weekly "With Brock's raw side contrasted with Tess's innocence, Wild Man delivers a passionate, opposites-attract romance." Patricia Smith, Booklist "There is something about them [Ashley's books] that I find crackalicious." Kati Brown, DearAuthor.com "I felt all of the rushes, the adrenaline surges, the anger spikes... my heart pumping in fury. My eyes tearing up when my heart (I mean... her heart) would break."
