KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz unten und Vorbereitung zum ShowdownVon Yolanda la BrujaIrene ist von einem Konsortium von Arbeitern zu einem Spottpreis gekauft worden. Nun wechseln die Männer sich mit der Benutzung ihrer Lustsklavinnen ab. Irene lernt eine völlig neue Welt kennen, die jedoch von ihrer alten Welt nicht so weit weg ist, wie es scheinen mag. Um einer Unschuldigen zu helfen, wendet sie sich an Menschen, die sie früher kannten. Dabei macht sie sich neue Feinde, entdeckt jedoch gleichzeitig, dass nicht alles so verloren ist, wie es schien. Was ich in meiner Rezension zum 1. Band geschrieben habe, gilt auch für dieses Buch. Heier Sex, gut gezeichnete Charaktere und eine spannende Handlung, die in einem Cliffhanger zum letzten Band endet. Wieder 5 Sterne!

KurzbeschreibungYou have to hear the latest. The Lady Irene scandal keeps getting worse and worse. The shock may kill me. Irene's owned by commoners now. And I mean common commoners. Working stock. Laborers who work with their hands. Auto mechanics and carpet layers and the like. Big, strong men with greasy hair and dirt under their fingernails. Not just one or two. A dozen. Imagine. A dozen commoners all getting together to buy one pleasure slave for themselves. You know what those kind of men are like. I can only imagine what it would be like to have to service a dozen of them every day. Why, you'd never get a moment's rest. They'd be rutting you day and night, day after day after day. Forcing themselves on you, one after another. These men get drunk every Saturday night and beat their own wives; and now they'd be free to beat you, too, any time they were unhappy with your service. Why, my hands are shaking just thinking about it. My heart is positively palpitating. I think I'm getting the vapors. I can't talk about this any more. I'm too upset. I'm going to have to retire to my bed and see if I can get some relief.KurzbeschreibungYou have to hear the latest. The Lady Irene scandal keeps getting worse and worse. The shock may kill me.
