**Von Annie Bellet : Pack of Lies (The Twenty-Sided Sorceress Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pack of Lies (The Twenty-Sided Sorceress Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Assassination attempts, murder and mayhem and Jade and friends again right in the middle of it allVon MinaNote: in this series, each book contributes to an overall story arc and make most sense if read in the appropriate order. So I recommend to not start here, but with Justice Calling.ReviewJade is back in her small town Wylde, Idaho, and nursing

her broken heart. But just as she is wallowing in misery, Alec the Justice again knocks on her door, asking for help in a missing person's case that soon turns into a gruesome murder. So Jade puts on her grown girl pants and sets out to help him. Someone tries to frame the wolfshifter for murder and just when there are all the country's alphas in town to choose the new alpha's alpha, who'll also be in charge of the Peace, the treaty securing werewolf behavior to shield the supernatural world from humans. Jade and Alec don't really find the time to talk about him leaving for weeks after the events in *Murder of Crows*, because things get worse after someone tries to assassinate Jade and it's soon pretty clear, who is behind the attacks on Jade. Then there is this other Justice turning up and behaving rudely, especially towards Jade. One rather rude thing is announcing to everyone and their neighbor about Jade being a sorceress. Oh my, what a ride. There are action, danger and suspense galore and the pacing is just great [even when I pitied Jade for everything thrown her way and having to get up time and again]. Jade is learning and fast and I loved seeing how she showed everyone to better not mess around with her. And her becoming ruthless at times doesn't feel out of character, because it's always her friends and chosen family who would otherwise suffer. So she stands by her word that none of her loved ones would ever die for her again. Actually I have to let you know that her magical development is pretty awesome. There is one pivotal scene that made me grin happily with anticipation about what will come in the future. And the last few chapters make it clear that the tranquil life in Wylde is over, now that people know that she is a sorceress... So what's not to like... Especially since this time the book did not feel too short. It's minor complaints again. There is a change of POV in the very last chapter that is unexpected and enhances the anticipation for what will happen next. But a change of POV after two books feels just wrong. It stands out. Like a not so subtle writing means, if you know what I mean. Oh and I'm not a stickler for spelling, wording and grammar. But the missing proofreading or editing at times is so obvious it distracted me. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Es wird immer spannender... Von Merle Fortsetzung der spannenden mehrteiligen paranormalen Buchserie, die einen immer tiefer mit hinein in diese Welt zieht. Nach den brutalen Ereignissen im letzten Buch, die mit dem Tod von Jades Ziehvater und ihrem erneuten Rauswurf endete, hat sich der Justice und Tigershifter Alek vorerst von Jade zurückgezogen, was sie in eine Depression wirft. Der Wolf-Gross-Alpha ist gestorben und ein Ersatz muss gewählt werden. Ein weiterer Justice, die Wolfshifterin Eva Phillips, taucht auf und dominiert die ganze Gegend. Mysteriöse Todesfälle treten auf und auf Jade, wie auch auf ihre Freunde, werden Anschläge verübt, die sie knapp überlebt. Die Geschichte ist gut, ebenso die Entwicklung der Charaktere. Langsam erfahren wir doch mehr über diese Wesen, über die Entwicklung von Jade als Magierin, über ihre Vergangenheit. Je weiter die Reihe voranschreitet, umso mehr Lust macht sie zum Lesen. Sehr empfehlenswert. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Empfehlenswert Von Fibi Tiffen Habe gleich alle (bis jetzt erschienenen) Bände in einem Rutsch durchgelesen. Besonders die Nerd-Referenzen machen Spaß (wenn man selbst eine Comicbuch/Rollenspiel-Vergangenheit hat ;o).

**Kurzbeschreibung** Let sleeping dogs lie. Wolves, on the other hand... Recovering from a broken heart and coming to terms with her family history, all sorceress Jade Crow wants is to resume running her comic book store and gaming with her friends. With a town full of strange wolf shifters, a hundred-and-fifty-year-old peace accord hanging in the balance, and the Justice who broke her heart back in her life, Jade's plans go out the proverbial window. Wolves are killing wolves, innocent human lives are caught in the crossfire, and not everyone in town is who they appear to be. As the bodies stack up and the doubts build, Jade and her friends race to find the true killer. And then Jade's evil ex-lover makes another move... *Pack of Lies* is the third book in the USA Today bestselling *The Twenty-Sided Sorceress* urban fantasy series.
