Von J.A. Rock : Pain Slut (The Subs Club Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pain Slut (The Subs Club Book 2) (English Edition):

KurzbeschreibungHonestly, Im ready to take a step back from the Subs Club. Making the kink world a safer place for

subs is the sport of bandwagon Id have boarded as an idealist in my early twenties, but now Im a pragmatist in my late twenties. I prefer to focus on adopting and raising a child. But unexpected factors inevitably derail my plans. Like Drix Segerattractive and the first genuine sadist Ive encountered. If I were not in the process of renouncing my masochistic ways and becoming the normal, responsible potential father the adoption agency wants to see, Drix and I might do well together. But he has a foolish name and belongs to a cult of vampyres, and I am quitting kink. So why does Drixs infatuation with blood and biting make me so hot I cant think straight? And why, when he looks at me, does he seem to see something beyond a basket case with a stick up my ass? Can I start a new phase in my life without leaving part of myself behind? Please send help.
