Kurzbeschreibung\*\*This book can be read as a standalone, but don't stress original MC Sinner fans, your favs are all there!\*\*I am the good girl, the one who does no wrong. Daughter to a ferocious and strong MC President, I know what protection feels like. Until one night changes everything - and not a single person in the world can protect me from it, not even my dad. Suffocating. Alone. Desperate. I let my problems live deep inside until there is no longer anywhere to run. I need an escape. Anything to make the pain go away. Trouble comes for me, and I don't fight it. I tried so hard to believe in what I was, But nobody understood. Not until him. Not until Lucas. He sees me. He believes in me. He refuses to let me drown. Hes my way out. My escape. But Lucas is forbidden. Hes a cop. Im in danger. And my father is trying to protect what cant be protected. There can only be one outcome. Pandemonium. \*\*This book is intended for readers over 18\*\*Kurzbeschreibung\*\*This book can be read as a standalone, but don't stress original MC Sinner fans, your favs are all there!\*\*I am the good girl, the one who does no wrong.
