Von Johanna Lindsey : Paradise Wild (Avon Historical Romance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paradise Wild (Avon Historical Romance):

feel for the heroine is just the beginning. The hero is not much of a hero. He does these things to the heroine out of his moronic "justification" to avenge his father. Then just leaves the heroine to deal with the havoc he has wreaked, then doesn't think twice about her. We are supposed to believe through all this that he comes to love her and she him, when I came away thinking, they deserve each other. I wouldn't recommend this to anyone looking into reading Johanna Lindsey for the first time, wait till you've read her other fantastic books to get an idea of how she usually writes, this isn't it. I gave her 3 stars because she's the best in romance authors today, and everyone has an off time, or a bomb. hope this helps anyone interested in reading her books. 0 von 0 Kunden fanden die folgende Rezension hilfreich.

Wonderful Von Ein Kunde My first JL book was Fires in Winter which I really enjoyed and thus made me want to read more of JL. I really enjoyed this one also. I couldn't put it down and was disappointed that it ended; not that it was a bad ending, it was a great ending, I just didn't want it to end. Jared irritated me but he had his reasons for being an angry man. He was the perfect man for Corrine. I did hate Russell. What a jerk. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I couldn't put it down, it kept me up all night! Von Ein Kunde I've only recently become a JL fan. I've read 17 of her books in just over a month and half! Paradise Wild was so descriptive I could actually smell the beautiful flowers of Hawaii. I cried, I laughed. I felt Corrine's anger as well as her love. I felt her joy when she first bonded with her son, Micheal. Johanna Lindsey can sure bring out every emotion, with her words. Thanks Johanna!

Kurzbeschreibung Paradise Wild A well-born Boston beauty, Corinne Barrows has traveled halfway around the world in search of Jared Burkett -- a dashing rogue and a devil; a honey-tongued charmer who seduced and despoiled her. . .and then abandoned the impetuous lady after awakening a need that only he could satisfy. She has found him on the lush and lovely island of Hawaii. And now Corinne will have the revenge she craves: the total ruin of the blackguard who brought shame and scandal into her life. But Jared still possesses the power to excite her as no man has ever done--even as his own reckless heart is taken captive in their blistering war of wits and will--igniting a fire that could consume them both unless they surrender to it with wild abandon in the heat of the tropic night. Pressestimmen She creates fairy tales that come true.
