Von Kara Louise : Pemberley Celebrations - The First Year (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pemberley Celebrations - The First Year (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Light, diverting entertainmentVon Marie"Pemberley Celebrations - The First Year" is a Pride Prejudice sequel consisting of 13 short stories about Elizabeth and Fitzwilliam Darcy's first year of marriage. Beginning with their first Christmas as a married couple shortly after their wedding, Kara Louise revisits Pemberley on the major holidays, ending with the

Darcy's first anniversary. I bought this book, because I enjoy reading sequels to Jane Austen's novels, particularly to *Pride and Prejudice* and in general I have to say right away that I enjoyed this book as well. Ms Louise understands it well to recreate the world that Jane Austen's dedicated readers love for its comfort and security. She does without introducing too many new characters and lets most of the known characters act authentically. The story lines are generally kept simple and believable, albeit foreseeable. Since I do not enjoy sequels that cross over to different genres, for me that is not really much of a deficiency though. There were only few aspects I did not like about this novel, first and foremost a factor I have probably mentioned in every single one of my reviews of Jane Austen sequels: the lack of historical accuracy, even though it was far less disturbing in Ms Louise's book as in some of her fellow writers. However, I think at least the most rudimentary rules of society in the 19th century - for example the rules of introduction or the treatment of 'taboos' in public conversations - should be taken into account writing a novel in a historical background, just to make the book convincing. All in all, however, I enjoyed this diverting trip to Pemberley. The concept of short stories as 'flying visits' to the Darcys' married life completely convinced me and I would definitely like to read more of the kind - So, Ms Louise, please get right on to "*Pemberley Celebrations - The Years to Follow*"!

Es ist schn zu erfahren, wie sich die Darsteller aus Stolz und Vorurteil nach der Hochzeit von Darcy und Elisabeth weiterentwickeln. Einige werden nur am Rande gestreift, andere etwas ausfhrlicher behandelt. Hauptsächlich geht es aber um die beiden Jungvermhlten und ihrem Leben auf Pemberley. Kein besonders aufregend geschriebenes Buch, aber nah an der Originalvorlage.

Kurzbeschreibung Join Fitzwilliam and Elizabeth Darcy in this compilation of short stories as they celebrate the holidays and special events in the first year of their marriage. Beginning with Christmas, the decorations are being put up, but it has not been a joyous holiday at Pemberley for many years. Can Elizabeth bring back the Christmas Spirit? There are three other Christmas stories, as well as stories about a New Years Eve Ball, a Valentine's Day Mystery, an Easter Visit, and several others that will entertain you throughout the year.
