Erin Marsden is Serendipity's good girl. She is the daughter of the former police chief, has protective brothers, and no one in town would ever believe that Erin could do anything wrong. But when Cole Sanders shows up, Erin decides to be wild for a single night and spends it in his arms. Though they used protection, Erin eventually realizes she is pregnant. After seven years of deep undercover work in New York, Cole returns to Serendipity to help his aging father, Jeb. Cole had approached mob bosses, murderers, and drug dealers with more ease than that with which he faced his father again. Cole does not mean to get involved with wholesome Erin, but neither can resist spending one night of blazing passion together. Erin being pregnant with his baby gives Cole the right to immediately step into the role of bodyguard when she becomes the target of a killer. His feeling for Erin would have caused Cole to protect her even had she not been pregnant; but this way Erin would be foolish to decline his help - as if he would let her. But Cole soon begins to admit that his priorities are changing and perhaps the time has finally come to face the past so that he may have a future with Erin. **** FOUR STARS! Author Carly Phillips blends romance, comedy, and suspense into a story that is destined to long linger within the minds of its readers. (It certainly did in mine.) But this is the trademark of a good author, which Carly Phillips definitely is. Set in a small town, this has what most suspect; locals who know everything about everyone. This makes for various forms of drama - and Phillips proves that she knows drama. ****Reviewed by Detra Fitch of Huntress Reviews.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungThe New York Times bestselling author of the Dare to Love series welcomes you to Serendipity, where love, fate and fortune intertwine... Fans of Bella Andre, Rachel Gibson, Julie James and Jill Shalvis, will fall head over heels with Carly Phillips' special town and her unforgettable characters. Assistant DA Erin Marsden is Serendipity's quintessential good girl. The daughter of the ex- police chief, she's never made a misstep, content with her quiet, predictable life...or so she thinks. Until undercover cop Cole Sanders returns to town with heated interest in his eyes and shadows in his past. Neither can resist their off-the-charts chemistry, and a one-night stand brings complications neither expected. Then a case puts Erin in a killer's sights, and she succumbs to Cole's take-charge attitude. As a bodyguard, he's the best. As a lover, he's even better. But there's more than Erin's safety at stake. And Cole must forgive the sins of his past and prove to himself - and to Erin - that he's capable of the love and the forever she so desperately needs. Return to Serendipity for more sexy romance with the other books in the series, Serendipity, Destiny, Karma, Fated, Perfect Fit and Perfect Together.
